INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question "Read what language [or, if exemption is claimed, upon what ground]." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants shall be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States; before and if so, the year (or period of years) and place, as, 1894-1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), W (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each [boy, girl, man, or woman], as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, mining publisher, steel polisher, iron molder, wood turner, etc., but not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the argument or theory shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies cannot make this distinction on the manifests, and extra care should be exercised, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Columns 8 (*Able to read and write*).—This column is subdivided and contains the following questions: "Read what language [or, if exemption be claimed, upon what ground]." In answering this question the language or dialect he often is able to read should be stated. If there is actually no test and a literate passenger from the reading requirement, the ground for such exemption should be given.

Columns 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Columns 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should [illegible] race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and questions should be carefully framed by examiners and answers checked before the [illegible]. For instance, "Finnish" appearing under the head of country does not mean "Finnish" for race or people, and similarly, "French" appearing under the head of race or people does not mean "French" by country. An Irish, German, or Hebrew alien may have emigrated recently from under the [illegible] of England, Switzerland, or any other countries; in this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (NEGRO).

"African (Negro)" refers to the African Negro, whether coming from Cuba or other regions of the West Indies, Central or South America, Europe, or Africa. Any alien with a admixture of blood of the African Negro should be returned under this head.

HEBREW.

The people who are native to the basin of the Black Sea or northern Italy (i. e., contemporaries of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the Black Sea (i. e., contemporaries of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual as an intended residence or one year only can constitute permanent residence. The last country in which alien resided were the purposes of residence was real or there shall be the last permanent residence regardless of length of actual residence thereon. The answer in column 11 should show the country and city or town of last permanent residence. If a dependency has distinctive geographic name commonly accepted, show country of last permanent residence independent of countries of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended city of permanent residence. An intended residence of one year will constitute permanent residence. The entry should show definitely the place (city or county) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The answers should be either Y (ticket) or N (no ticket).

Column 15 (*Whether in possession of $50 and if not, how much*).—The entry should show the amount of money in possession of each alien, whether he has $50 or more, and if he has less than $50 the exact amount.

Column 16 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answers should show whether going to join father, mother, husband, wife, child, brother, sister, relative, friend, etc., and in each case the name and complete address.

INSTRUCTIONS FOR FILLING ABOVE SCHEDULE

Separate sheets should be prepared for each port at which passengers embark.

Column 1 (Number of ...) — Consecutive numbers should begin anew at the beginning of each page.

Column 2 (Name in full) — The surname (or family name) should be mentioned first, followed by the Christian or given name or names in full.

Column 3 (Age) — Ages should be given as on the certificate of vaccination.

Column 4 (Sex) — Write either "male" or "female," as the case may be.

Column 5 (Married or single) — The words "married" or "single," "widow" or "widower," or "divorced," as the case may be, should be written in full.

Column 6 (Calling or occupation) — The entry should describe as accurately as possible the occupation, trade, or profession of each adult person, as, for example, "wheelwright, blacksmith, cotton-spinner, machine-maker, agricultural laborer, domestic servant, dressmaker, milliner, schoolmistress, and the like." Persons of rank or position, such as "gentleman," "lady," "baronet," "esquire," "clergyman," "officer in the army," "officer in the navy," "student at college," and the like, should be described as such. Children should be described as "child" or "infant," as the case may be.

A married woman should be described according to her own distinctive occupation, if she pursues any, and not merely as the wife of her husband.

A person living on his property should be described as "landowner" or "proprietor."

A laborer should be described as such, whether he is employed on the railway or on the farm.

A person having no occupation or means whatever, and living on charity, should be described as "pauper."

All persons under sixteen years of age, not being the children or wives of persons described as heads of families, should be described as to their occupation, if any, like adults. If they have no occupation, they should be described as "child" or "children," "boy" or "girl," "son" or "daughter," according to the case, as the relationship may be.

Column 7 (Nationality) — Nationality should be mentioned in every case according to the country in which the person was born, as follows:

Column 8 (Last residence) — Let the name entered set forth in full where the last residence of each person is situated.

Column 9 (Intended final destination in part 1, and the destination [including transit] of persons in part 2) — Persons in part 1 should be described according to their intended final destination, and persons in part 2 according to their destination [including transit] as far as known. In the case of persons in part 1 proceeding to places beyond the United States, the name of the place in the United States at which they intend to land should be entered, as well as the ultimate destination. In the case of persons in part 2 proceeding to places beyond the United States, the name of the place in the United States at which they landed should be entered, as well as the ultimate destination. In both cases the following further rules should be especially observed:

CHILE.

The term "Chilean" refers to Chile except Tarapaca and Antofagasta.

ENGLAND.

"England" refers to the country of the Tweed and the Cheviots and Berwick-on-Tweed.

SCOTLAND.

"Scotland" refers to the country north of the Tweed and the Cheviots and Berwick-on-Tweed.

IRELAND.

"Ireland" refers to the country of Ireland and stands therefore in opposite relation to England and Scotland.

GERMANY.

"German Empire" refers to the United Empire. Persons coming from Alsace or Lorraine should be described as "Alsace-Lorraine," and not as "German Empire" or "Germany," according to the preference of the individuals.

NORWAY.

The people who are native of the kingdom of Norway, and who speak the Norse or Norwegian language, should be described as "Norwegian," and not as "Swedish," "Russian," or "Finn," even though they may have been born in Sweden, Russia, or Finland.

SWEDEN.

The people who are native of the kingdom of Sweden, and who speak the Swedish language, should be described as "Swedish," and not as "Norwegian," "Russian," or "Finn," even though they may have been born in Norway, Russia, or Finland.

Column 10 (Final destination) — The address of friends or relatives with whom persons intend joining should be given.

Column 11 (Have either you or any of the persons in your group paid their own passage?) — If the passage of any person has been paid by any other person or persons, or by any society or company, the fact should be stated in this column, and the name and address of the person or society by whom the passage has been paid should be given.

Column 12 (Are you going to join a friend, and if so, what friend?) — If any person has been induced to emigrate by any false representations, or has been assisted by any person or society to emigrate, with the intention that on arrival in the United States he or she should become a charge upon public or charitable funds, the fact should be stated in this column, and the name and address of the person or society who has induced or assisted such person to emigrate should be given.

Column 13 (Have you been in prison, and if so, why?) — If any person has been in prison, or in a workhouse, or in receipt of parish relief, the fact should be stated in this column, and the particulars should be given.

Column 14 (Which of the persons in your group are joining you?) — The names of persons who are not proceeding in company with the principal emigrant should be entered in this column, and the relationship of each person to the principal emigrant should be stated.

Column 15 (Are you a polygamist?) — Polygamists are persons who have more than one wife living at the same time. Persons who have been divorced, and who have married again, are not polygamists.

Column 16 (Are you under contract to labor for any person or company in the United States, and if so, what is the name and address of such person or company?) — Persons who have entered into contracts to labor for any person or company in the United States, or who have been induced to emigrate by any promise of employment, or by any representation that employment could be obtained, should state the fact in this column, and the name and address of the person or company who has entered into such contract, or who has made such promise or representation, should be given.

Sworn to before me this [illegible] day of [illegible] 19[illegible]

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 1 (Line number.)—Each passenger's name should be entered in full, commencing with the surname, and the Christian name or initials should follow.

Column 2 (Age.)—The ages of the children should be expressed in years or months, the latter appearing as fractions of a year; thus, six months, 6 years, etc.

Column 3 (Sex.)—The entry should be either M (male) or F (female).

Column 4 (Single or married.)—The married should be M (married), S (single), Wd (widowed), or D (divorced).

Column 5 (Calling or occupation.)—The entry should describe as accurately as may be the occupation, trade, calling, or profession of each person, as, for example, coal miner, laborer, clerk, cotton spinner, tailor, engineer, blacksmith, mason, carpenter, farmer, merchant, weaver, printer, etc., and not merely laborer, gentleman, lady, servant, child, etc.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer owns or has control of a farm, and does not work as a laborer.

A farm laborer is one who performs work on a farm for his support.

Persons without occupation, except those under 16 years of age, should be returned as having no occupation.

Column 6 (Nation or people.)—The nation or people of each person should be stated in this column, as, for example, Scotch, English, German, French, Italian, Hungarian, Bohemian, Russian, Polish, Spanish, Portuguese, Swedish, Norwegian, Danish, Finnish, Dutch, Flemish, Belgian, Swiss, Greek, Roumanian, Turkish, Syrian, Armenian, Chinese, Japanese, Hindu, East Indian, Mexican, West Indian, Central American, South American, Australian, New Zealander, Negro, Mulatto, etc., and not merely Austrian, Hungarian, Turkish, Russian, British, American, etc.

A distinction should be made between Hebrews and non-Hebrews, regardless of the amount of money shown, as follows:

A Hebrew person is one professing a faith, or who can be identified as of the Hebrew race.

A non-Hebrew is one who professes a form of faith not that of the Hebrew race.

Column 7 (Last residence.)—The last residence of each person, if other than the country whence he sailed, should be stated, as, for example, the name of the city, town, or village in which he last resided for a year or more.

Column 8 (Final destination.)—The name of the city, town, or village in the United States, Alaska, Hawaii, Porto Rico, or Canal Zone to which each passenger is destined should be stated. If the destination is not definitely known, the name of the State to which he is going should be given.

Column 9 (Identification.)—Question 9 should be considered to mean the number of which alien is a citizen, or subject.

Column 10 (Alien or native.)—The list of aliens passed on back of this sheet. The entry should show the name of country in which each alien was born.

Special attention should be paid to the distinction between race and the country in which persons are born, especially in the case of persons born in Canada, Cuba, and Mexico, who are frequently descended from persons who were born in the United States, and who may be returned as citizens of the United States by inadvertence unless the question is clearly understood. The question "Race" apparently applies to the country in which the person's parents were born, and not to the country in which the person was born. Thus, a person born in Canada of Irish parents should be returned as born in Ireland and not in Canada. A person born in Cuba, Mexico, or Europe of parents who were residents of the United States at the time of the birth of such person should be returned as born in the United States, irrespective of the birthplace of his parents.

The following classification should be observed in connection:

"White."

The term "White" refers to the Caucasian people and includes—

"Black."

"Black (negro)" refers to the people of the Black Subdivision of Asia, either Oriental or African.

"Mulatto."

"Mulatto" refers to the people of the Mulatto Subdivision of Asia, either Oriental or African.

"American Indian."

STATES IMMIGRATION OFFICER AT PORT OF ARRIVAL

Arriving at Port of NEW YORK, 1 OCT 1913, 1913

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate Sheets should be prepared for each port at which passengers embark

Column 2 (*Last name, first name, and middle name in full*).—Surnames should come first, followed by the Christian and middle names.

Column 3 (*Age*).—The entry to be made in figures showing the age of the person last birthday. Infants under 1 year of age should be entered as under 1 year of age.

Column 4 (*Sex*).—The entry should be either M (male) or F (female).

Column 5 (*Married or Single*).—The answer should be M (married), S (single), Wd (widow), or D (divorced).

Column 7 (*Nearest relative or friend in the country whence alien came*).—The entry should describe as accurately as possible the connection, name, or profession of each alien arrival, as, for example, "wife engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, sheet plumber, iron moulder, wood turner, etc.," and not simply as engineer, polisher, moulder, turner, or other nonspecific designations.

A distinction should be made between *farmers* and farm *laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Passenger companies should make this distinction on the manifests and corrections should be made, if necessary, by inspectors and original entry during the personal examination of the aliens.

Column 8 (*Ability to read and write*).—The column is commonly and mistakenly the following question: "Read what language?" or "Language of nationality?" In answering the question the language in which the alien is able to read is meant. If alien is unable to read but could recognize from the context the general tenor of such exemption should be given.

Column 9 (*Occupation*).—Question to answer be turned to mean the occupation of each alien over 14 years of age.

Column 10 (*Race or people*).—See list of races printed on back of manifest. The entry should be made as given or as near to it as possible.

Column 11 (*Last permanent residence before coming to the United States*).—The entry should be made in the corresponding column and the country of which aliens are citizens or subjects, whether it has permanent residence and country of which such residence should be considered permanent and entered in this column. For instance, "French" apparently may be the case of a native born and resident "French" subject, or it may be the case of a native born and resident "French" subject who has resided in Canada, Switzerland, or elsewhere for a long time. Persons claiming to be citizens of the United States should be required to show the evidence on which such claim is based, as well as the length of residence in the country whence they came.

[illegible]

Column 12 (*Final destination in the United States, State, and city*).—Write in the United States place to which the alien is destined, as far as known.

[illegible]

Column 13 (*Whether going to join a relative or friend, and if so what relative or friend, and his name and complete address*).—Write "Yes" or "No," as the case may be, and if "Yes" the name and complete address of the relative or friend should be given.

Column 14 (*Whether having a ticket through to destination*).—Write "Yes" or "No," as the case may be.

Column 15 (*Whether the transportation was paid for by himself or by other person or corporation, and if so, by whom*).—Write "Self" or the name of the person or corporation paying for the transportation.

[illegible]

Column 16 (*Whether in possession of $50 and if less, how much*).—The answer should be made in dollars and cents. Persons coming under the contract labor law should not be permitted entry, the amount of money they may have in their possession notwithstanding.

Column 17 (*Whether ever before in the United States, and if so, when and where*).—The answer should be "Yes" or "No," as the case may be, and if "Yes" the time should be given as near as possible, and the place (as nearly as practicable) stated. Philadelphia.

Column 18 (*Whether going to join husband, wife, father, mother, grandfather, grandmother, brother, sister, uncle, aunt, cousin, nephew, or niece, and if so, which one, and his name and complete address*).—Write "Yes" or "No," as the case may be, and if "Yes" the name and complete address of the relative should be given.

Column 19 (*Whether a polygamist*).—Write "Yes" or "No," as the case may be.

[illegible]

Column 20 (*Whether an anarchist*).—Write "Yes" or "No," as the case may be.

[illegible]

Column 21 (*Whether a person who believes in or advocates or belongs to any organization or society that believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or the assassination of public officials*).—Write "Yes" or "No," as the case may be.

[illegible]

Column 22 (*Whether coming under contract or agreement, parole or special permit to perform labor, and if so, what kind of labor*).—Write "Yes" or "No," as the case may be, and if "Yes" the kind of labor should be stated.

[illegible]

Column 23 (*Whether a person who has been in prison or in almshouse or an asylum, or supported by charity, or a person who has been deported, or whose ticket or passage has been paid for with public funds, or whose friends or relatives have been requested or notified in writing by the Commissioner of Immigration or any of his subordinates to refrain from coming to the United States, and if so, why*).—Write "Yes" or "No," as the case may be, and if "Yes" the reasons should be stated.

STATES IMMIGRATION OFFICER AT PORT OF ARRIVAL

Arrivals at Port of

AFFIDAVIT OF ONE HAVING AN UNMARRIED OFFICIAL OR STAFF OR SECRET SERVICE

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate Sheets should be prepared for each port at which passengers embark

Column 2 (*Head for statue.*) — Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (Age.) — The answer to this inquiry should be given in years of persons. For infants under one year of age

Column 5 (Sex.) — The entry should be either M (male) or F (female).

Column 6 (*Married or Single.*) — The answer should be M (married), S (single), Wd (widow or widower), or D (divorced).

Column 7 (*Calling or occupation.*) — The entry should describe as completely as possible the occupation, trade, or profession of each alien arrived, as for example: Coal engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, cane worker, wood turner, etc., and not simply as engineer, polisher, worker, farmer, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and proper care should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens arrivals.

Column 8 (*Able to read and write.*) This column is sub-headed and contains the following question: "Read what language (or if some other is claimed, what is your mother tongue)." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the literacy requirement the ground for such exemption should be given.

Column 9 (*Nationality.*) Question 9 should be answered to name the country of which alien is a citizen or subject.

Column 10 (*Race or people.*) — The list of races printed on head of the sheet. The entry should show the race or people to which he belongs.

Special attention should be paid to the distinction between race and the country of which citizen or subject, particularly of last permanent residence and emigrant of Greek and subdivided should be carefully pursued by inspectors and registry clerks in the inquiry. For instance, "Greece" is improperly entered for record of every Greek who arrives. "Greece" is the name of a country and "Hellenic," "Greek," or something entirely the kind of race or people does not know. "Greece" by consulary, and Irish, Germans, or Bohemians who by race subject, provide upon entry of a number of England, Ireland, or any of the provinces. In these considered the following distinctions should be especially observed:

Greek.

The term "Hellenic" refers to the Greek people and language.

Asiatic Turkish.

"Asiatic Turkish" refers to the people of the Asiatic portion of that nation which extends to Bulgaria.

Armenian.

"Armenian" refers to the people of Armenia and their descendants in various countries.

European Turkish.

"European Turkish" refers to the Turkish people of European Turkey, or to Turkish subjects of the Near Indian Archipelago, Greece, Bulgaria, or Egypt, who were classified as Greek by the Bureau of Statistics before that bureau

Column 11 (*Last permanent residence.*) — Actual bona fide residence of one year shall constitute permanent residence. The last country to which such emigrant has the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The answer to column 11 should name the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately state country of last permanent residence (not province or country of temporary residence, country of birth, nationality, or race).

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be stated. "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence came.*) The entry should give name and address in full.

Column 13 (*Final destination.*) — The answer to this question should show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town, if possible) of permanent residence, if within the United States. Avoid, if alien has friends in [illegible] bound to such final destination. The entry should be [illegible] or No one [illegible].

Column 14 (*Whether having a ticket to such final destination.*) The entry should be either Yes [illegible] or No [illegible].

Column 15 (*Whether in possession of $50 and if not how much.*) — The entry should show whether alien has $50 or more in his possession, and if not, how much he has. Any amount less than $50 in gold, silver, or its equivalent, or in bank notes, or in any form of money, or in any other property, shall be considered as less than $50.

Column 16 (*Whether going to join a relative and if so what relative and where.*) — The answer should show whether or not alien is going to join relatives, and if so, what relatives, and where they reside, and whether they are citizens of the United States.

Column 17 (*Whether ever before in the United States and if so when and where.*) The answer should show whether or not alien has been in the United States before, and if so, when and where.

Column 18 (*Whether ever in prison or almshouse or supported by charity and if so what and why.*) — The answer should show whether or not alien has been in prison or almshouse or supported by charity, and if so, what and why.

Column 19 (*Whether a polygamist.*) — The answer should show whether or not alien is a polygamist.

Column 20 (*Whether coming under contract to perform labor and if so what kind.*) — The answer should show whether or not alien is coming under contract to perform labor, and if so, what kind of labor.

Column 21 (*Whether an anarchist.*) — The answer should show whether or not alien is an anarchist.

Column 22 (*Whether a person who believes in or advocates or belongs to any organization that believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or the assassination of public officials.*) — The answer should show whether or not alien believes in or advocates or belongs to any organization that believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or the assassination of public officials.

Column 23 (*Whether a person who has been deported, etc.*) — The answer should show whether or not alien has been deported, or has been refused admission to the United States and has come in pursuance of a warrant issued upon a hearing before a board of special inquiry, or has been arrested and deported at the expense of the United States, or has been arrested within one year after landing in the United States and deported at the expense of the transportation company which brought him to the United States, or has been arrested within one year after landing in the United States and deported at the expense of the steamship company which brought him to the United States, or has been arrested within one year after landing in the United States and deported at the expense of the steamship company which brought him to the United States.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate Sheets should be prepared for each port at which passengers embark

Column 2 (Last or family name).—Steamship lines should make insertions in this column commence at the top of Government officials only.

Column 3 (Age).—The exact age of the infant should be entered in years or months. Infants under one month old may be entered 1 day old, etc.

Column 4 (Sex).—The entry should be either M (male) or F (female).

Column 5 (Married or Single).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (Calling or occupation).—The entry should show as completely as possible the occupation, trade, or profession of each alien person, as for example: Civil engineer, mechanical engineer, mining engineer, lawyer, physician, trained nurse, midwife, tailor, tailoress, etc., and not simply as engineer, student, laborer, or other indefinite description.

A distinction should be made between farmers and farm laborers, regardless of the answers, in every instance, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests and corrections should be made, if necessary, by inspectors and agents during the personal examination of each arrivals.

Column 8 (Able to read and write).—This answer is subdivided and contains the following question: "Read what language (or dialect) upon read printed?" To determine this question the passenger or alleged the alien is able to read should be asked. If alien is unable to read any dialect exemption from the reading requirement the symbol for such exemption should be given.

Column 9 (Nationality).—Question 9 seems to command to mean the country of which alien is a citizen or subject.

Column 10 (Race or people).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of which passport should be carefully noticed by inspectors and proper checks in this regard. For instance, "Europe" appearing under the head of country from race means "French" by race or people and, similarly, "French" appearing under the head of race or people from race means "France" by country. No Irish, Germans, or Europe alien by race should ordinarily come under the heading of England, Scotland, or any other country. In this connection the following distinctions should be especially observed:

RACES

The term "Celtic" refers to the Irish people and Scotch.

EAST INDIES

The term "East Indies" refers to the people of the West Indies other than native Chinese or Japanese.

CENTRAL AMERICA

The term "Central America" refers to the people of Central and South America, of Spanish descent.

AFRICA (BLACK)

The term "Black" refers to the African people including those who are descendants of the Negro Indian people of South America, Mexico, or Africa. The term "Black" should be carefully noted by inspectors.

RACES (continued)

The people who are native to the South of the United States of Central America, Mexico, Guatemala, Spain, Portugal, Canada, Italy, and Germany and their descendants should be entered as "Native [race]."

Column 11 (Last permanent residence).—A head of an immediate members of one race shall constitute permanent residence. The last country by which alien departed with intention of remaining one year or more shall be the last permanent residence, regardless of length of actual residence therein. The answer to column 11 should show the country and city or town of last permanent residence. In enforcement the additional proposed law requiring immigrants intending to depart from country of last permanent residence independent of receipt of temporary residence, consult rules of such authority of law.

Country of last permanent residence of aliens who are returning residents of the United States and are returning from a visit abroad should be entered "United States."

Column 12 (Name and complete address of nearest relative or friend in country whence alien comes).—The entry should give name and address of such relative or friend. If alien has no friend or relative in country whence he came, the entry should show the name and address of friend in the United States to whom he is going.

Column 13 (Final destination).—The answer to this question must show the complete final destination of immigrant. An intended residence in some city with population per census of 25,000 or more should be entered as "City." The entry should show definitely the place of residence of immigrant. Intended permanent residence, a mere visit cannot suffice. Consult the United States [illegible] for list of cities.

Column 14 (If ticket sold to final destination).—The answer should be "Yes" or "No" (or "Unknown").

Column 15 (By whom was passage paid).—The entry should show whether by whom passage was paid, as well [illegible] father, brother, or other relative, friend, steamship company, etc.

Column 16 (If in possession of $50 and if less, how much).—The answer should show in each case whether the [illegible] the actual amount of [illegible] money brought by the head of a family should not be limited to the personal possessions of the family.

Column 17 (Whether ever before in the United States, and if so, when and where).—The answer should show whether or not alien has been in the United States before and if so, the time and place of [illegible] visit or visits.

SEC. 36. That every vessel of any kind from any foreign port or place arriving at any port of the United States shall be required to report to the immigrant inspector in charge at the port of arrival the name, nationality, last permanent residence, and destination of each alien on board such vessel, whether destined to the United States or not, and such other information as may be required by the Commissioner General of Immigration, and no such vessel shall be granted clearance papers pending the compliance with the foregoing requirements, or with the requirements of section 33 of this Act, by the master, agent, owner, or consignee of such vessel. Any such master, agent, owner, or consignee who refuses or fails to comply with the requirements of this section shall pay to the collector of customs for the district in which such port is located the sum of $10 for each alien with respect to whom such report is required and is not correctly and fully furnished, but no such penalty shall be imposed if it is shown to the satisfaction of the Secretary of Labor that the master, agent, owner, or consignee could not have obtained such information prior to the departure of the vessel from the last foreign port or place touched by it, and that the master, agent, owner, or consignee has furnished the information in his possession concerning such alien to the immigrant inspector at the port of arrival in the United States at the earliest practicable moment and in no case later than the departure of the vessel from the first port or place in the United States at which it may touch after the departure from such foreign port or place. Any penalty imposed under this section shall be a lien upon the vessel, which may be enforced by libel in the district court of the United States for the district within which any port of entry of the United States at which such vessel arrives is located. Clearance shall be granted forthwith upon the determination of the question in the affirmative or the payment of such penalty. Such penalty shall not be remitted or refunded except that remission or refunding may be made of that portion of any penalty in excess of $10 for each alien with respect to whom it is shown to the satisfaction of the Secretary of Labor that no owner, master, agent, or consignee of the vessel could have obtained such information prior to the departure of the vessel from the last foreign port or place touched by it, and that such information was furnished to the immigrant inspector at the earliest practicable moment. NOTE — Full text of question 21 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials or who advocates or teaches the unlawful destruction of property or who is a member of or affiliated with any organization entertaining and teaching such beliefs or who advocates or teaches the duty, necessity or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or any other organized government, because of his official character or who is a member of or affiliated with any organization entertaining, teaching or advocating such beliefs.

AFFIDAVIT OF THE MASTER OR OTHERWISE OFFICER, OR PART OF VESSEL OWNER

I, [illegible] Chief Purser of the S.S.S.S. "PORT OF ORIENT", from [illegible], a [illegible] and [illegible] that I have carried the original of your above written manifest, to the steamer mentioned in the same country, A. 1924, and that I have [illegible] of said and all of the aliens named in the [illegible] Immigration Service. [illegible] in accordance with law [illegible] said steamer was from any such [illegible]. I further state that no one to my [illegible] of any of the money excluded from permission into the United States by [illegible] Act of the Immigration Act, and that also, according to the best of my knowledge and belief, the [illegible] to each [illegible] is correctly made of said aliens named therein is correct and true in every respect.

[illegible]

Sworn to before me this [illegible] day of [illegible], 1924

at [illegible]

[illegible]
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The Answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron grinder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and inquiries should be made of the master of such vessels.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language (or, if a person can not read, speak what language)?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and inquiries should be specially directed by immigrant and inspect carried in this regard. For instance, "French" appearing under the head of country does not mean "French" by race or people, necessarily. French is frequently borne the case of race or people when not correct. Similarly, the terms Germans, or Germans born in race might improperly mean either the leading of England, Switzerland, or any other country. In this connection the following instructions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (NEGRO).

"Negro" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or Central America or Africa. Any alien with admixture of blood of the African race should be classed as a negro.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i.e., compartments of Piedmont, Lombardy, Venetia, and Liguria) and such descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Final permanent residence*).—A fixed or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual possession thereof. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show destination, the place only or town of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*If a letter having a ticket to such final destination*).—The answer should be either Yes (letter) or No (no letter).

Column 15 (*By whom was passage paid*).—The entry should show whether by whom passage was paid, as self; friend, such relative, employer, or other person. Should [illegible] concerning [illegible] etc.

Column 17 (*If in possession of $50, and if less, how much*).—The amount should give in each case (individual or family), the exact amount of money shown. Money brought by the head of a family should not be counted among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not Yes or No in the United States before; and if so, the year (or period of years) and place, as, 1903, New York, Philadelphia.

Column 19 (*Whether going to join relatives or friend, and if so, what relatives or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 23.—These questions are self-explanatory and the answers, like all others in the sheet, are subject to inquiry by inspection officers in the examination of aliens. In answering the question as to whether alien has been deported should find and read the Secretary of Labor has authorized alien to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien named, as, for example, Coal or general stationary engineer, locomotive engineer, mining engineer, steam engineer, steel worker, tool worker, wood turner, etc., and not simply as engineer, mechanic, worker, farmer, or other indefinite designation.

A distinction should be made between laborers and farm laborers, regardless of the amount of money shown, as follows:

A laborer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm but does not operate it.

Stockraisers, cowpunchers, etc., should be described as herders.

Stenographers should state their proficiency in the operation, and corrections should be made, if necessary, by inspectors and reported on the evening the personal examination of such persons.

Column 8 (*Able to read and write*).—This column is to be ruled and answers the following question: "Read what language (or, if illiterate, so stated)—write what language?" In answering this question the examining officer is not to put the alien to the test, but is to satisfy himself as to whether the alien is able to read and write from the reading and writing, respectively, of the person or persons examined. Care should be taken to see that the answer given is consistent with the examination. For example, if the alien is stated to be able to read and write Russian, he should be required to read and write a sentence in Russian. If the alien can read but not write, the fact should be noted. If the alien can write but not read, the fact should be noted. If the alien can neither read nor write, the fact should be noted. If the alien can read and write, but can do so only imperfectly, the fact should be noted. If the alien can read and write, but can do so only with difficulty, the fact should be noted. If the alien can read and write, but can do so only with great difficulty, the fact should be noted. If the alien can read and write, but can do so only with great difficulty, the fact should be noted.

General 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which the alien belongs.

Special attention should be paid to the distinction between race and the country of which citizen or subject, peoples of like government sometimes, and country of birth, and reasonable should be exercised by examining and inquiring closely in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by nationality. So Irish, German, or Hebrew must be the most searching manner under the heading of Nationality, but Irrational, or any other country. In this connection the following instructions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cuban or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro whether born from Cuba or other islands of the West Indies, Haiti or South America, Europe, or Africa. Any alien with a preponderance of blood of the African race should be described under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (viz., the provinces of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i.e., peninsula of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of continuing one year or more shall be the last permanent residence regardless of length of actual residence therein. The alien's intention in coming to the country and city or town of last permanent residence. To be regarded for statistical purposes only, citizenship acquisition temporarily in the country of last permanent residence independent of necessity of complying residence, primary of birth, nationality, or race.

Generally at last permanent residence is to mean who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative is to, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definite city, town, or locality of intended future permanent residence of aliens the United States. Mere intention to go to a certain State is not sufficient.

Column 14 (*If going further than to a point in the United States*).—The answer should be either Yes (intended) or No (not intended).

Column 15 (*Whether in possession of $50 and if less, how much*).—The entry should show ostensibly the amount of money in possession of each alien, and if less than $50 in amount. The money should be in cash or its equivalent (not including the personal belongings of the family).

Column 16 (*Whether ever before in the United States; and if so, when and where*).—The answer should show whether or not "yes" or No" to the United States before; and if so, the year (or period of years), and place, as, 1903, 1907, Philadelphia.

Column 17 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, for all aliens in the class, are subject to revision by inspection officers at the discretion of such officers. However, in answering question 26, if alien has been imprisoned within one year and (or) sentenced to more than six months, to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 3 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, house painter, steel polisher, iron molder, wood turner, etc., and not simply laborer, painter, molder, turner, or other indefinite description.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by immigrant inspectors during the primary examination at such seaports.

Column 8 (*Which to read and write*).—This column is subdivided and requires the following answers: "Read and write" [or, if even phrase is omitted, mean what follows]; "Can't read, but can write"; "Can't read or write." In answering the question the literacy or illiteracy of aliens is also to be held to read silently to oneself. If aliens are unable to read and write intelligently, the reasons for such incapacity should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the racial group or people to which he belongs.

Every person admitted as a immigrant is required by the immigration laws and the consular officers of the United States to have a passport, or other satisfactory evidence, and sometimes should be questioned by a consular officer as to his right to enter the United States. The purpose of "Nearest existing home of relative" is to show the name and address of the nearest relative in the country from which the alien came. "Friend" [or name of friend] means "friend" in the United States. "Ticket" [or name of ticket agent] means "ticket" to the destination. "Destination" [or name of destination] means the city, town, or village in the United States, or in Canada, Cuba, Mexico, or Panama, to which the alien is destined.

CUBAN.

The term "Cuban" relates to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the peoples of the West Indies other than Cuban, Porto Rican, and Negroes.

SOUTH AMERICAN.

"South American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Liberia or other islands of the West Indies, Brazil or South America, Europe, or Africa. Any mixed or all descendants of blood of the African Negro should be considered among this grouping.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in their native land, America (Mexico), or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—A brief or abbreviated residence of one year should constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The answer in column 11 should show the country and city or town of last permanent residence. It is presumed by steamship companies that steamship companies accurately show evidence of last permanent residence under penalties of country of temporary residence, country of birth, nationality, or race.

Column 12 (*Last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad*).—Such persons should be classified "United States."

Column 13 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should show name and address of such relative. If he has no relatives living, give name and address of friend.

Column 14 (*Final destination*).—The answer to this question should show the city, town, or village of permanent residence. An intended temporary or visit does not constitute permanent residence. The above should also be answered in case alien is in transit to a foreign country, but has a permanent residence in the United States. Answer should be "Same" if alien is destined to remain in the United States.

Column 15 (*Whether having a ticket to said final destination*).—The answer should be either Yes (Y) or No (N).

Column 16 (*By whom was passage paid*).—The entry should show whether the passage was paid by himself, by father, mother, wife, husband, other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if not, how much*).—The answer should be in each case (Yes) or (No). Money belonging to the head of a family should be considered as in the possession of the family.

Column 18 (*Whether ever in the United States before, and if so, when and where*).—The answer should show whether alien has been in the United States before, and if so, the time or period of years and place, as "1903, New York."

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join relative or friend, and if so, what relative or friend. Both name and relationship required.

Column 20 (*Ever in prison, etc.*).—These questions are to be answered "Yes" or "No." The "Yes" answers on the sheet are sufficient to segregate for immigration officers at the examination of aliens. However, in answering question 20, it should read either "Yes" or "No," and not simply the word "No" if alien has previously been in prison or in a poorhouse, but positively not if alien has previously been in a hospital for treatment, but positively not if such hospital was not for the insane.

Sworn to before me this 20th day of September 1911

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*)—Steamship lines should make no entries in this column. The space is for use of immigrant inspectors only.

Column 4. *Age.*—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M, male, or F, female.

Column 6. *Married or single.*—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of the person mentioned, as, for example: Clerk, engineer, shoemaker, carpenter, housekeeper, housework, dressmaker, tailoress, porter, waiter, cook, barber, servant girl, farmer, wood turner, etc., and not simply "laborer," "servant," or "none."

A distinction should be made between farmers and farm laborers, regardless of the amount of money she may possess.

A farmer means one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the same object mentioned.

Seamstress is not sufficiently definite, as it may mean a professional seamstress, or one employed in a factory, or a female relative who sews in the family circle. Like distinctions should be made in the case of other persons who follow occupations that may be followed in more than one way.

Column 8. *Able to read and write.*—This column is intended to show whether the person can read and write any language. If able to read only, the fact should be stated. If able to write as well as read, the entry should be "Yes." If unable to read, the entry should be "No." In ascertaining this information, care should be taken to avoid misunderstanding. Persons who can read and write their own language frequently understand by the question whether they can read and write English, and answer accordingly. Others who can read and write English frequently understand by the question whether they can read and write the language of the country from which they came, and answer accordingly. Others who can read and write some foreign language frequently understand by the question whether they can read and write the language of the country to which they are going

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer to this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each person aged, as, for example: "Farmer," "laborer," "engineer," "clerk," "servant," "tailor," "tailoress," "shoemaker," "carpenter," "mason," "painter," "blacksmith," "miner," "driver," "boatman," "fisherman," "sailor," "seaman," "fireman," "engineer," "conductor," "brakeman," "railroad laborer," "merchant," "manufacturer," "dressmaker," "milliner," "saleswoman," "stenographer," "typewriter," "bookkeeper," "accountant," "physician," "surgeon," "trained nurse," "professor," "teacher," "student," "author," "editor," "musician," "actor," "actress," "painter," "sculptor," "architect," "lawyer," or other profession or occupation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money owned.

A farmer is one who possesses a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who possesses it.

Steamship companies should make the distinction on the manifests, and correspondence should be made, if necessary, by inspectors and reports obtained during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is to contain the following question: "Read or has had language for, if over years of age, upon what ground?" In answering this question the literacy or illiteracy of an alien is not to be determined by himself. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which a person is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and questions should be carefully considered by inspectors and entry clerks in this regard. For instance, "Hungary" appearing under the head of race or people does not mean "Magyar" by race or people, and, similarly, "Russia" appearing under the head of race or people does not mean "Finnish," "Polish," "Jewish," or other race or people known to compose part of the Russian Empire, but persons of these races or peoples born in Russia are subjects of Russia, and the words "Russian" or "Russia" should appear in the column designating nationality.

Column 11 (*Last permanent residence*).—Indicate as accurately as possible the country in which each person aged has had a permanent residence. The fact that a person has been in the United States for a year or more does not necessarily indicate that the country is no longer the country of last permanent residence. If a person has gone to the United States for a temporary purpose (but eventually accidentally stays) or comes to the United States for a temporary purpose (but eventually changes his mind), the country of last permanent residence remains unchanged. The mere possession of a passport or temporary residence, country of birth, nationality, or the like, should not be considered as indicating country of last permanent residence.

Country of last permanent residence of aliens who are naturalized residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Seaport last landed from*).—The name and complete address of hotel or friend to whom alien is going should be given. The entry should be in name and address of such hotel or friend. If no such hotel or friend, or if going to work on a farm, the name and address of such person should be given.

Column 13 (*Final destination*).—Endeavor to have question clearly understood by persons making declarations. An intended residence of one year shall constitute permanent residence. Any intended residence of less than one year shall constitute temporary residence. The entry should show definitely the place (city or town, if expected) where permanent residence is sought in the United States; otherwise, it should be the United States.

Columns 14 and 15 (*Whether having a ticket to final destination*).—The necessary answer is either YES or NO, as the fact may be.

Column 16 (*Whether in possession of $50 and if not how much less*).—The entry should show whether or not each person has in his possession at least $50 in money, or if he has less than $50 how much less. The amount of money in possession of each person should be counted, and the entry should show the amount actually found to be in possession. Mere statements as to the amount of money in possession should not be accepted.

Column 17 (*Whether going to join a relative and if so what relative and his name and complete address*).—The entry should show whether or not each person has a ticket, or sufficient money, to pay his railroad fare to the place where he intends to go, and if he has not the amount necessary to pay his railroad fare to the place where he intends to go, whether or not he has relatives or friends who have agreed to pay his railroad fare. The entry should show the name, relationship, and complete address of such relative or friend.

Column 18 (*Whether ever before in the United States and if so when and where*).—The entry should show whether or not each person has been in the United States before, and if so, the year (or years) and place, as, for example, "Philadelphia, 1907."

Column 19 (*Whether going to join husband, wife, father, etc., and relationship*).—The entry should show whether or not each person is going to join husband, wife, father, mother, brother, sister, uncle, aunt, grandparent, cousin, or friend, and if so, what relationship, if any, exists between such person and the person to whom he is going.

Columns 20 to 22.—These questions are self-explanatory and the answers thereto, according to the experience of immigration officers in the administration of the law, should be definite and specific. In answering question 20, it must be borne in mind that a person may be a polygamist at heart and practice it, but not be married to more than one woman, and therefore the fact that a person is married does not necessarily imply that he is not a polygamist.

ITALIAN (NORTH).

The people who are native to the north of the River Po in Northern Italy. If a correct name of Piedmont, Lombardy, Venetia, and Emilia) and their descendants should be entered as "Italian (North)." Trieste (Trieste), or any other accurate, should be classed as "Italian (North)." Most of these people speak a Gallic dialect. A few Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po. It comprises of Latium, Tuscany, The Marches, Umbria, Abruzzi, the Adriatic and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia; and their descendants should be classed as "Italian (South)."

Column 11 (*Last permanent residence*).—Indicate as accurately as possible the country in which each person aged has had a permanent residence. The fact that a person has been in the United States for a year or more does not necessarily indicate that the country is no longer the country of last permanent residence. If a person has gone to the United States for a temporary purpose (but eventually accidentally stays) or comes to the United States for a temporary purpose (but eventually changes his mind), the country of last permanent residence remains unchanged. The mere possession of a passport or temporary residence, country of birth, nationality, or the like, should not be considered as indicating country of last permanent residence.

Country of last permanent residence of aliens who are naturalized residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Seaport last landed from*).—The name and complete address of hotel or friend to whom alien is going should be given. The entry should be in name and address of such hotel or friend. If no such hotel or friend, or if going to work on a farm, the name and address of such person should be given.

Column 13 (*Final destination*).—Endeavor to have question clearly understood by persons making declarations. An intended residence of one year shall constitute permanent residence. Any intended residence of less than one year shall constitute temporary residence. The entry should show definitely the place (city or town, if expected) where permanent residence is sought in the United States; otherwise, it should be the United States.

Columns 14 and 15 (*Whether having a ticket to final destination*).—The necessary answer is either YES or NO, as the fact may be.

Column 16 (*Whether in possession of $50 and if not how much less*).—The entry should show whether or not each person has in his possession at least $50 in money, or if he has less than $50 how much less. The amount of money in possession of each person should be counted, and the entry should show the amount actually found to be in possession. Mere statements as to the amount of money in possession should not be accepted.

Column 17 (*Whether going to join a relative and if so what relative and his name and complete address*).—The entry should show whether or not each person has a ticket, or sufficient money, to pay his railroad fare to the place where he intends to go, and if he has not the amount necessary to pay his railroad fare to the place where he intends to go, whether or not he has relatives or friends who have agreed to pay his railroad fare. The entry should show the name, relationship, and complete address of such relative or friend.

Column 18 (*Whether ever before in the United States and if so when and where*).—The entry should show whether or not each person has been in the United States before, and if so, the year (or years) and place, as, for example, "Philadelphia, 1907."

Column 19 (*Whether going to join husband, wife, father, etc., and relationship*).—The entry should show whether or not each person is going to join husband, wife, father, mother, brother, sister, uncle, aunt, grandparent, cousin, or friend, and if so, what relationship, if any, exists between such person and the person to whom he is going.

Columns 20 to 22.—These questions are self-explanatory and the answers thereto, according to the experience of immigration officers in the administration of the law, should be definite and specific. In answering question 20, it must be borne in mind that a person may be a polygamist at heart and practice it, but not be married to more than one woman, and therefore the fact that a person is married does not necessarily imply that he is not a polygamist. Yes and no answers should be given.

CHINESE.

The term "Chinese" refers to the Chinese people and Nationals.

WEST INDIAN.

"West Indian" refers to the people of the West Indies (other than either Chinese or Japanese).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (NEGRO).

"African (Black)" refers to the African Negro, whether coming from Cuba or other Islands of the West Indies, from the French, Spanish, Portuguese, or Africa. Any words using nationalities or races of the African Negro should be considered under this heading.

DEPOSIT OF THE MASTER AS COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, [illegible] Master [illegible] of the [illegible] [illegible] Vera Cruz Mexico [illegible] solemnly, sincerely and truly [illegible] that I have caused the original [illegible] to be duly posted up on the vessel's starboard gangway, in a conspicuous and proper position, where it has remained and will remain during the time the vessel is in port, and that I will not remove or cause or permit the same to be removed until the vessel is ready to depart from the port; that I have caused a correct list or manifest of all the passengers taken on board the said vessel at the port of [illegible] to be made out and that the said list or manifest now produced by me contains the name of every such passenger, and the place from which he or she last came, and that I will not destroy or conceal or cause or permit the destruction or concealment of any part of the said list or manifest, or of any part of the information relating to the said passengers which I have received, or which has come to my knowledge, and that I will not alter or cause or permit the alteration of any name or statement in the said list or manifest, or in any part of the said information, in any manner whatsoever, before the delivery thereof to the Collector of Customs of the port of [illegible] or to such officer as he may appoint to receive the same.

[illegible]
MASTER [illegible]

Sworn to before me this [illegible] day of [illegible] 1911

at New York

[illegible]
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status.*)—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 3 (*Age.*)—The years at the column should be expressed in years or months; the latter only in case under 1 year of age.

Column 4 (*Sex.*)—The entry should be either M (male) or F (female).

Column 5 (*Married or single.*)—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation.*)—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example, Clerk, engineer, machinist, engineer, locomotive engineer, railroad engineer, brass molder, steel molder, iron molder, wood turner, etc., and not merely "laborer," "engineer," "molder," "turner," or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money owned, as follows:

A farmer means one who owns a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who employs it.

Should the occupation be such as to require explanation on the manifest, said explanation should be made, if necessary, for protection and security of the bona fide commercial traveler of alien nationality.

Column 9 (*Able to read and write.*)—This column should be answered with reference to the following questions: "Read what language?" If examination is claimed, insert letter "Y." In answering this question the employee is assured that the alien is able to read should he state: "I think I can read," or "I can read a little," or other expressions from the testimony, the ground for such uncertainty should be given.

Column 10 (*Nationality.*)—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 11 (*Race or people.*)—See list of races printed on back of this sheet. The entry should show the race to which each alien is said to belong.

Special attention should be paid to the distinction between race and the country of which a citizen or subject, company of race permanently residents, and country to which race, nationality should be ascribed per land for immigration and country should be filled thereof. The language "Hebrew" appearing under the head of "Race" does not mean "Liberia," but means the race, nationality, country, or people, and the head of persons coming into this country. "Negro," for example, applies to all persons of the African race, no matter what may be their nationality, whether born in Africa, Liberia, or elsewhere, and whether they are citizens of the United States, or of Great Britain, Germany, or any other country. In this connection the following enumeration should be separately considered:

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (NEGRO).

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER OR MATE OR SECOND OFFICER

I, _____, of the _____ of _____, [illegible] do solemnly swear that I have carefully examined the foregoing List or Manifest of Aliens, and that to the best of my knowledge and belief the information required thereby has been given with respect to every alien mentioned therein; that no person mentioned therein has been knowingly or willfully omitted; and that no false statement or answer has been made in any case.

_____ Master [or Commanding Officer].

Sworn to before me this _____ day of _____, 19__

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

[illegible] Number.—Consecutive numbers should be entered in this column, beginning with 1 for the first alien on each vessel.

Column 1. Last Name.—The surname or family name should be expressed by giving in full the last name of each alien.

Column 2. First Name.—The given name should be expressed by giving in full the first name of each alien, whether a child or an adult.

Column 3. Sex.—The entry should be written M (male) or F (female).

Column 4. Married or single.—The answer should be M (married), S (single), W (widowed), or D (divorced).

Column 5. Calling or occupation.—The entry should describe as accurately as possible the occupation, trade, or profession of each alien above fifteen years of age, if employed. Clerk, engineer, shipping engineer, boiler-maker, machinist, mining engineer, mine operator, metal worker, miner, etc., and not merely laborer, laboring man, farmer, or servant, unless the alien has no occupation.

Column 6. Can read.—Every person fourteen years of age or over, regardless of the amount of money he may have, or whether employed or not, should be reported as able or unable to read.

Column 7. Can write.—Every person fourteen years of age or over, regardless of the amount of money he may have, or whether employed or not, should be reported as able or unable to write.

Column 8. Can read and write [name language].—Every person fourteen years of age or over, regardless of the amount of money he may have, or whether employed or not, should be reported as able or unable to read and write some language. The language in which the person can read and write should be given.

Column 9. Height.—Every person should be examined to ascertain the number of inches high he is, and the entry should be made accordingly.

Column 10. Color of hair and color of eyes.—The list of races printed at the head of the sheet. The entry should show the race or people to which he belongs.

Nationality of people who may be said to be distinctive races and the country of which citizens or subjects, respectively, they are, should be entered. Such nationality and race should be carefully ascertained. Descriptive and statistical publications of the Government should be carefully studied to determine what countries should be considered as separate races or peoples. The expression "Scotch" apparently should not be entered as race or people, but as nationality. "French" is another example. Under "English" are entered persons born in England, Scotland, Wales, or Ireland. So also "German" and "Hebrew" are not races, but nationalities. An Irish Catholic or Hebrew alien is a member of a race or people different from that of a native of England, Scotland, or any other country. In this connection the following distinctions should be especially observed:

CHINESE.

The term "Chinese" relates to the Chinese family, not Empire.

KOREAN (COREAN).

"Korean" refers to the people of the Land of Morning Calm, either China or Japan.

MEXICAN (AMERICAN).

"Mexican" refers to the people of Mexico and South America of Spanish descent.

SPANISH (EUROPEAN).

"Spanish" refers to the people of Spain, with surrounding territories or colonies, whether the West Indies, Europe, or Africa. Any person born in Spain, or whose nearest ancestors on the father's side were born in Spain, is a Spaniard.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their immediate neighbors speaking the Italian language, Romansch, or any other country should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11. Last permanent residence.—Actual intent to remain for a definite period is not required, but the last country in which aliens resided with the intention of remaining one year or more must be the last permanent residence to which the time of length of actual residence counts. The question is country to which alien claims allegiance, not city or town of last (permanent) residence. It is important for statistical purposes that (generally) emigration necessarily cease country of last permanent residence be determined by answers to interrogatories mentioning of birth, nationality, or race.

A country of last permanent residence of aliens who are temporary residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12. Home [complete address] in foreign country.—The entry should give name and address of nearest relative. If no such relative is living, give name and address of friend.

Column 13. Final destination.—The entry should show the complete future address of the immediate destination. An intended residence of one year does constitute permanent residence. The entry should be in addition to the place (city or town) of intended future permanent residence, if within the United States, especially if within the United States.

Column 14. If going to join relative or friend, [name and address].—The answer should be either Yes (or No) or Unknown.

Column 15. If ticket paid for by person [name and address].—The entry should show (whether by whom passage was paid, as relative, employer, friend, society, or other person. Name, relationship, and address.

Column 16. If in possession of $50, and if less how much.—The answer should be given as to each person (or head of family for a statement of money shown). Money brought to the land by the alien should not be included, but money earned in the United States should be included.

Column 17. Whether in possession of railroad ticket to final destination.—The answer should be Yes or No.

Column 18. Whether ever before in the United States, and if so, when and where.—The answer should show previous or not ("No" or "Yes"). If so, the last time he or she came to the United States should be stated, as well as the place or places of former visit, the length of time spent in the United States, and the name or names under which admitted and last departed.

Column 19. Whether going to join relatives or friends, and if so, what relatives or friends.—The answer should show whether going to join relative or friend in the United States, and if so, what relative or friend, with name and complete address.

Columns 20 to 22.—These questions are self-explanatory and the answers [illegible] all cases. The alien may be subjected to an search by immigration officers to test the correctness of answers. However, in accordance with Department Circular No. 9, dated [illegible], and instructions from the Secretary of Labor, no passengers [illegible] to inquiry for admission, and discretion [illegible] such examination should be given.

at New York

... Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 1. [illegible] — Steamship lines should make no entries in this column. The space is for use of immigration officials.

A distinction should be made between laborer and farm laborer, regardless of the amount of money owned, as follows:

1. Laborer (or one who works at a trade, either for himself or for others).

In answering this question, "Read" means understand, and "write" means to express ideas in writing. If able to read but not to write, the fact should be so stated. Special inquiry should be made to ascertain the language race and the country of which citizen or subject of last permanent residence and country of birth, and questions should be carefully answered, as the entries made in this column are frequently used in the record. The numerous "Finns" appearing under this heading are sometimes returned as "Russians," but the majority of them are not Russian subjects, but are subjects of Finland, which is a province of Russia, but not a part of Russia proper. Finns are frequently returned as "Russians," but they are not Russians, but are subjects of Finland, which is a province of Russia, but not a part of Russia proper. Finns are frequently returned as "Russians," but they are not Russians, but are subjects of Finland, which is a province of Russia, but not a part of Russia proper.

Note.—Full text of section 24 of the Act of February 5, 1917, relating to the exemption by American consuls of certain persons from the payment of the head tax and the certificate required to be issued by them in such cases, is printed on the reverse of the Form 507 blank used by steamship companies in making out the manifests required by section 12 of the Act of June 21, 1902, as amended by the Act of February 5, 1917, for the information of immigrant inspectors at the ports of arrival in the United States. Consuls are instructed to call the attention of masters of vessels to the requirements of the law in this respect, and to inform them that the penalty of $200 for each alien not included in the manifest is imposed upon the master, owner, agent, charterer, or consignee of the vessel, or upon the master and owner jointly, or upon the master and owner severally, or upon the agent, charterer, or consignee jointly, as the case may be, and that no clearance will be granted to the vessel by the collector of customs until the penalty has been paid or the case has been reported to the Secretary of Commerce and Labor and a decision rendered thereon. Masters of vessels should be informed that the penalty will be imposed in every case where it appears that an alien has been brought to the United States by the vessel and has not been included in the manifest, whether the omission was intentional or not, and that the fact that the alien was not included in the manifest will be prima facie evidence that the master, owner, agent, charterer, or consignee of the vessel knowingly brought the alien to the United States.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Commissioner of Immigration only.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of immigration authorities.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying where under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien person, as the mechanic, artist, engineer, machinery employed, farmer, laborer, clerk, merchant, gentleman, lawyer, physician, minister, professor, author, musician, editor, photographer, painter, sculptor, actor, actress, stenographer, typewriter, bookkeeper, accountant, nurse, barber, hairdresser, manicurist, housekeeper, cook, waiter, or other specific designation.

A laborer should be more definitely described as agricultural, general, railroad, or day laborer.

A person having no fixed occupation is to be returned as laborer, servant, or without occupation.

A farmer should be further described as a farmer, stock raiser, or tenant.

A boy or girl should be returned as child.

Column 8 (*Nationality*).—The answer should indicate the country of which the person named is a native. Care should be taken to distinguish between mere nationality and race. Thus, a native of Scotland is a British subject by nationality, but a Scot by race; a native of Ireland is a British subject by nationality, but a Celt by race; a native of Germany is a German by nationality, but may be a Hebrew, Bohemian, Pole, or Slav by race. The following classification should be followed in all cases where the race or people differs from the nationality:

ARMENIAN.

Armenians should be returned as natives of Armenia, Russia, Turkey in Asia, or Persia, according to the country from which they came.

BOHEMIAN.

Bohemians should be returned as natives of Bohemia, Austria, or Austria-Hungary.

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than native Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (Black)" refers to the African Negro, whether native born from "Africa" (also called the West Indies, Hayti, or South America), Europe, or Africa. Any alien who is a descendant of Negro or Black ancestry, no matter how remotely, is to be classed as a Negro.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., provinces of Piedmont, Lombardy, Venetia, and Emilia) and those immediately adjacent to the Apennines, including Carrara, Massa, and Spezzia, and Leghorn, should be returned as "Italian (north)." None of these people speak a Genoese dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., provinces of Tuscany, Umbria, the Marches, Campagna, Abruzzi, Molise, Caserta, Naples, Salerno, Basilicata, Calabria, Sicily, and Sardinia) and those immediately adjacent to Leghorn should be returned as "Italian (south)."

Column 11 (*Last permanent residence*).—A record is to be obtained which will show definitely the permanent residence of each alien. The last country in which a person resided where one remained a sufficient length of time to have had a permanent residence is to be returned as the country of permanent residence. If the alien has had no permanent residence during the entire period of residence abroad, the country in which the greater part of the time was passed is to be returned as the country of permanent residence. If the alien has had no permanent residence anywhere, but has been traveling or sojourning during the entire period of residence abroad, the country of last permanent residence is to be returned. Care should be taken to distinguish between country of birth, country of last permanent residence, country of last temporary residence, country of last allegiance, and country of last nationality.

Country of last permanent residence is not to be returned as the United States, unless the person has resided therein for a definite period of time, and has acquired there a fixed and permanent residence. Residence in the United States for the purpose of study, travel, or temporary employment does not constitute permanent residence.

Citizens of the United States returning to their native country or coming to become citizens thereof are to be returned as having their last residence in such country. If an alien who has resided in the United States for a definite period of time, or has acquired a fixed and permanent residence therein, returns to his native country for a visit, or goes to some other country for the purpose of study, travel, or temporary employment, he is to be returned as having his last permanent residence in the United States.

Column 12 (*Final destination*).—The answer is to be given as the place to which the immigrant expects ultimately to go and hopes to find a home. It may be the place of present or intended future permanent residence. The answer should be the name of a city, town, or village, if one is known, and not merely a State or country. If the immediate destination is known, it should be given, even though the alien may not expect to remain there permanently. If destined to the United States, the name of the State should be given.

Column 13 (*If ticket reads to some point beyond destination*).—The answer should be either Yes (Y) or No (N).

Column 14 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, whether by the alien himself, by relatives in the United States, by friends, or others.

Column 15 (*Whether in possession of $50, and if less than $50, how much*).—The answer should be Yes (Y) or No (N), as the alien has or has not $50 in his possession. If he has less than $50, the exact amount possessed should be stated.

Column 16 (*Whether ever before in the United States, and if so, when and where*).—The answer should be Yes (Y) or No (N), as the alien has or has not been previously in the United States. If previously in the United States, the date of the last visit and place of residence should be stated.

Column 17 (*Whether going to join relatives, and if so, what relatives and where*).—The answer should show whether the alien has relatives in the United States, and if so, what relatives they are, and where they reside.

Columns 18 to 24.—These questions are self-explanatory and inconsequential. Should objection be made, and not to exceptions, officers in free examination of aliens. Inspectors, in accordance with the provisions of the law, are not to ask questions which will indicate to aliens the answers which they desire. Should any alien not understand what is required of him, or should he give an answer which is manifestly incorrect, the inspector is to explain to him the question and secure a proper answer. Where an alien is illiterate, or for any reason unable to supply the information, the inspector is to obtain it from some person who can do so.

STATES IMMIGRATION SERVICE

AFFIDAVIT BY THE MASTER OR COMMANDING OFFICER, TO BE FILED AT SECOND OFFICE.

I, [illegible], Master of the [illegible] from [illegible] to [illegible], do solemnly, sincerely and truly declare, that I can name the subjects or citizens of each and all of the aliens included in the foregoing List or Manifest hereto, to which I have subscribed my name and that said persons are to the best of my knowledge and belief, the only persons on board the said vessel who have declared their intention to become citizens of the United States, or who are entitled to admission to the United States without making such declaration, and that I have caused the information required by the Immigration Act to be correctly entered in said List or Manifest concerning each of said aliens named therein.

[illegible]
Master.

Sworn to before me this 23 day of August, 19 24

at [illegible]

[illegible]
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each person stated, as, for example, "farmer, stationary engineer, fireman, engineer, railroad, mining engineer, house painter, shoe polisher, tool maker, wood worker, etc.," and not merely laborer, servant, or student. Persons of no occupation should be returned as "none." Strict accuracy should be made between laborers and farm laborers, regardless of the amount of money the latter may possess.

A laborer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the owner or operator of it.

A distinction should be made between the terms "servant" and "domestic," as the former is understood to mean a male person employed in household duties, while the latter is understood to mean a female employed in household duties.

Column 8 (*Can read and write*).—This column is to be filled out to show whether the immigrant can read and write. The words "can read" mean that the immigrant can read some language or dialect. The words "can write" mean that the immigrant can write some language or dialect. If unable to read and write, the fact should be stated in the proper column.

Column 9 (*Nationality*).—Answer this question by stating the country to which each alien belongs. Do not enter "Austrian" or "Russian" unless the alien belongs to one of those countries as now constituted. Persons born in Austria-Hungary, Russia, Turkey, or other countries, who are not entitled to be returned as citizens of those countries, should be returned as subjects of the countries to which they belong, as Bohemia, Croatia, Dalmatia, Finland, Galicia, Herzegovina, Hungary, Poland, Ruthenia, Transylvania, etc.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Careful attention should be paid to the distinction between races as here given, some of which (Hebrew, for example) are frequently confused with nationalities, and numbers of which should be classified as subdivisions of the European race. Persons belonging to the Slavonic race should be returned as such, and not as Austrian, Hungarian, Russian, or Turkish, unless they belong to the Slavonic race in those countries. Persons belonging to the Hebrew race should be returned as such, and not as Austrian, Hungarian, Russian, Turkish, or any other country. In this connection the following descriptions should be carefully observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South American Spanish descent.

AFRICAN (NEGRO).

"African (Negro)" refers to the African Negro, whether coming from the native islands of the West Indies, Central or South America, Europe, or Africa. Any alien with admixture of blood of the African race should be classified under this language.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venezia and Emilia) and their descendants, whether residing in Italy, temporarily residing in other countries, or now citizens of and other countries, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of the immigrant officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien, as, for example, "Clerk," "Merchant," "Farmer," "Laborer," "Tailor," "Dressmaker," "Servant," "Weaver," "Engineer," "Housekeeper," "Painter," "Baker," "Blacksmith," "Carpenter," "Mason," "Miner," "Shoemaker," "Stonecutter," "Tinsmith," "Wheelwright," "Wood turner," etc., and not simply "Laborer," "Servant," "Student," or other indefinite description.

A person who has no occupation is to be returned without any occupation specified.

Laborers should be distinguished as "Farm laborers," "Steam railway laborers," "Coal miners," "Iron miners," "Lumbermen," etc., according to the nature of the work they have been employed at.

Particular care should be taken to distinguish between professional persons and persons following a trade.

A person formerly engaged in a profession or trade, but not actually following it, should be returned as having the profession or trade and not as being without occupation.

Persons of independent means should be described as such, and not merely as "Gentlemen."

Persons under 16 years of age, not having any occupation, should be returned as "Children" or "Infants," as the case may be.

Column 8 (*Nationality*).—The answer to this question should show the country to which the alien belongs politically, as, for example, England, Scotland, Germany, France, Sweden, Russia, Austria, Italy, Turkey, China, Japan, etc. Persons born in the British Dominions should be returned as natives of the country to which they belong politically, as, for example, Canada, Australia, India, etc., and not as natives of the British Empire.

Column 9 (*Race or people*).—The race or people to which each alien belongs should be returned, as, for example, English, Scottish, Irish, German, French, Spanish, Italian, Swedish, Russian, Polish, Turkish, Chinese, Japanese, Indian, Negro, Mexican, Canadian, Cuban, West Indian, Magyar, Bohemian, Hebrew, Slovak, Croatian, Dalmatian, Finnish, Dutch, Flemish, Belgian, Portuguese, Roumanian, Greek, Servian, Bulgarian, Lithuanian, Bohemian, Moravian, Ruthenian, Slovenian, Bosnian, Herzegovinian, Montenegrin, Syrian, Armenian, Arabian, Bengalee, Afghan, Hindoo, Kanaka, Maori, Australian, Tasmanian, New Zealander, Corean, Hawaiian, Icelander, Norwegian, Danish, Lapp, Basque, Celtic, Manx, Welsh, Scotch Highlander, Lowland Scotch, Gaelic, Romansch, Ladin, Wallachian, Albanian

STATES IMMIGRATION OFFICER AT PORT OF ARRIVAL.

List No. 3

Arriving at Port of _____, _____, 19__ 19__

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of immigration officials only.

Column 3 (*Age*).—The entries in this column should be expressed in years or months, the latter after the name of each child under 1 year of age.

Column 4 (*Sex*).—Write the word M (male) or F (female).

Column 5 (*Married or single*).—Write the letter M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or calling of each person, as farmer, laborer, servant, merchant, tailor, seamstress, blacksmith, carpenter, engineer, miner, weaver, clerk, etc., and not merely laborer, servant, woman, or child. Persons of no occupation should be returned as such.

Column 7 (*Nationality*).—The nationality of a person is usually the country in which he was born and of which he is a subject. Nationality should be stated in accordance with present political boundaries and not by former designations of countries.

Column 8 (*Race or people*).—Under this head each alien should be returned according to race or people as Negro, Chinese, Japanese, East Indian, Hebrew, German, Irish, English, Italian (North), Italian (South), Spanish, Portuguese, French, Scandinavian, Scotch, Welsh, Dutch, Flemish, Finnish, Russian, Polish, Bohemian, Slovak, Magyar, Croatian, Servian, Ruthenian, Lithuanian, Bulgarian, Roumanian, Greek, Turkish, Armenian, Syrian, Arabian, Indian (native), Mexican, or other people or race according to the best judgment or belief of the person making the list or manifest.

Column 9 (*Last residence*).—The last permanent residence of an alien should be stated, and not a place of temporary sojourn merely on the way to the United States. Thus, a person who has lived for five years in Liverpool, England, but who came to that city from Cork, Ireland, should be returned as a native of Ireland and as coming from Cork. Where no permanent residence exists, the last place of residence should be given.

Column 10 (*Final destination*).—The destination should be given as the city, town, or village where the alien intends to reside, and not merely as "New York," "Boston," "Philadelphia," or "Chicago," unless he is actually going to one of those cities. If he is going to a place in the interior, the name of the State should be added. If he has friends or relatives to whom he is going, their name, relationship, and complete address should be given.

Column 11 (*Whether having a ticket through to final destination*).—Write "Yes" or "No" to show whether the alien has a ticket through to his final destination in the United States.

Column 12 (*Whether in possession of $50 and if less, how much*).—Write "Yes" or "No" to show whether the alien has in his possession at least $50 in money, or if he has less than $50 the exact amount he has. Any amount of money, whether in gold, silver, paper, drafts, or in any other convertible form, should be considered as money.

Column 13 (*Whether going to join a relative and if so, what relative and his name and complete address*).—Write "Yes" or "No" to show whether the alien is going to join a relative in the United States, and if so, what relative, and his name and complete address.

Column 14 (*Whether ever before in the United States and if so, when and where*).—Write "Yes" or "No" to show whether the alien has ever been in the United States before, and if so, when and where he has been.

Column 15 (*Whether coming under contract, etc.*).—Write "Yes" or "No" to show whether the alien is coming under contract or agreement, express or implied, to perform labor in the United States, or is coming to join a relative or friend who has sent for him or paid his passage, or is coming for any other reason to obtain employment. In this connection the following questions should be considered in connection with each alien:

"Have you a job to come to?"

"What work can you do?"

"Have you been promised employment?"

"Have you friends or relatives who will help you?"

"Have you ever been in prison?"

"Are you a polygamist?"

"Are you an anarchist?"

"Are you coming for any organization that believes in the overthrow by force or violence of the Government of the United States or of all forms of law?"

"Are you a member of any organization that believes in or teaches the overthrow by force or violence of the Government of the United States or of all forms of law?"

Column 16 (*Whether a person of constitutional psychopathic inferiority*).—Write "Yes" or "No" to show whether the alien is a person of constitutional psychopathic inferiority.

Column 17 (*Whether ever in prison or almshouse or supported by charity*).—Write "Yes" or "No" to show whether the alien has ever been in prison or an almshouse or supported by charity.

Column 18 (*Whether a polygamist*).—Write "Yes" or "No" to show whether the alien is a polygamist.

Column 19 (*Whether an anarchist*).—Write "Yes" or "No" to show whether the alien is an anarchist.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 [*Age.*]—The answer in this column should be expressed in years or months, the latter as [illegible]

Column 3 [*Sex.*]—The word should be either M (male) or F (female).

Column 4 [*Married or single.*]—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 5 [*Calling or occupation.*]—The entry should describe as accurately as possible the occupation, trade, or profession of the alien arrived, as for example: Hod carrier, shoemaker, seamstress, laborer, farmer, or profession of the alien arrived, as for example: Hod carrier, shoemaker, seamstress, laborer, farmer, etc., and not merely as laborer, mechanic, servant, [illegible] as the case may be.

A distinction should be made between farmers and farm laborers, regardless of the amount of money owned, as follows:

1. Farmer is one who operates a farm, either for himself or for others.
2. Farm laborer is one who works on a farm for the most part for others.

Should the entries in this column be found to be incorrect, such corrections should be made, stamped, and initialed by the inspector. [illegible] the corrected [illegible] of [illegible] aliens.

If necessary, [illegible] passengers [illegible] while asking the following questions:

Column 6 [*Can read.*]—Read carefully to each alien the following question: "Can you read some language or dialect?" If answer is in the affirmative, [illegible] Read aloud a few words in ordinary use, printed or written, in the language or dialect mentioned by the alien, and ascertain whether he can read them. If alien is unable to read and claims that he can read, write the letters R (can read) and C (cannot). If alien is unable to read and claims that he can write, but refuses to read, write the letters R (can read) and C (can not). The purpose of this column is to ascertain the number of aliens who can read and write the English language or some other language, and the number who can neither read nor write any language.

Column 7 [*Nationality.*]—Question 7 should be considered to mean the country of which alien is a citizen or subject.

Column 8 [*Race or people.*]—See list of races printed on back of this sheet. This entry should show the race of people to which each alien belongs.

Column 9 [*Last permanent residence.*]—In the determination between race and the country of which a citizen or subject, the distinction should be made as to the place where the person has his home, or where he has lived for a long time, and intends to live. For example, a native of Germany, who has lived in France for twenty years, and who has become a citizen of France, should be entered as a native of France, unless he has since lived for a long time in Germany. Persons who have lived in several countries should be entered as natives of the country in which they have lived the longest. Persons who have lived in Germany, Austria, Russia, Poland, or Hungary, and who are natives of Bohemia, should be entered as natives of Bohemia. Persons who have lived in Turkey, Greece, Servia, Montenegro, Roumania, Bulgaria, or Asiatic Turkey, and who are natives of Armenia, should be entered as natives of Armenia. Column 13 (*Ever in U. S. before? If so, when and where?*).—Questions 9 should be construed to mean whether the alien has ever been in the United States before, and if so, when and where he resided and what he did while here.

Column 14 (*Whether in possession of $50, and how much?*).—Questions 9 should be construed to mean the amount of money the alien has with him at the time of inspection. It is not necessary that the exact amount be stated. In case a number of small sums constitute the amount, the approximate total should be given.

Column 15 (*Whether in possession of railroad ticket to destination, and if not, how much he has contributed toward it, and by whom*).—Questions 9 should be construed to mean the railroad ticket by which the alien intends to travel from the port of debarkation to his destination in the United States. If a person has no such destination, none should be given.

SOUTH AMERICA.

"Central American" refers to the people of Central and South America of Spanish descent.

ITALIAN (NORTH).

The people who are native to the basin of the River Po (i. e., the departments of Piedmont, Lombardy, Venetia, and Emilia) and those non-subjects, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (North)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

Column 11 (*Last permanent residence*).—A class of an alien's residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence, regardless of length of actual residence thereby. The word "permanent" should show the positive and only character of the permanent residence. It is important to ascertain positively and distinctly the country described where alien's last permanent residence is—the country of nativity or temporary residence, country of birth, nationality, or race.

Column 14 (*Final destination*).—The question in this connection was to show the permanent home of the immigrant.—An intending immigrant is one who will establish his permanent residence.—This query should show definitely the place (city or town) of intended future permanent residence.—It should not be General terms, as simply the United States.

Column 15 (*Whether going to join friend, and if so, what friend*).—[illegible] (whether by steamer or rail, and if by rail, what railroad).

Column 16 (*By whom was passage paid*).—The query should show definitely by whom passage was paid, as U. S. Government, Infant Society, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if not, how much*).—The purpose should be to show whether the immigrant has sufficient money to land and support himself for a reasonable time. Any information which may be required by the Secretary of Labor, in addition to the questions printed herein, should be entered in this column, and instructions from the Secretary of Labor thereto may be obtained from the Commissioner General of Immigration.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 1 (Number on list).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 2 (Name).—The surnames and initials should be expressed in full in each case, the latter coming after the name. Example: Lyons, J. M.

Column 3 (Sex).—The entry should be either M. (male) or F. (female).

Column 4 (Married or single).—The entries should be M. (married), S. (single), Wd. (widowed), or D. (divorced).

Column 5 (Calling or occupation).—The entry should describe as accurately as possible the occupation, trade, or profession of the person named. If no occupation, the word "none" should be used. Persons having no occupation, including women and children, should be returned as "none." Laborers, farmers, and servants should not be returned by these general terms, but should be described as "farm laborers," "farmers," "domestic servants," "cooks," "waiters," "nurses," "valets," "footmen," "housekeepers," "laundresses," "maids," etc., as the case may be.

A description should be given sufficiently definite to indicate the character of the occupation followed, and to show whether the person is a skilled or unskilled laborer. Persons formerly engaged in any occupation, but not actually employed at the time of embarkation because of lack of employment, sickness, old age, or other cause, should be returned according to their former occupation.

A laborer should be returned as a laborer, whether he is employed on a farm or elsewhere.

A person formerly employed as a laborer, but at the time of embarkation employed in any other occupation, should be returned as belonging to the latter occupation.

Persons having no occupation, or being employed in any occupation not connected with labor, should be returned as belonging to the class to which they belong, as nearly as it can be ascertained, whether as merchants, bankers, gentlemen, officials, lawyers, physicians, clergymen, authors, students, musicians, actors, artists, lecturers, etc.

Column 6 (Nationality).—Nationality means the country in which a person was born. Note.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining, teaching, advocating or disbelieving in or opposed to organized government or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or officers generally, of the Government of the United States or of any other organized government because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER OR FIRST OR SECOND OFFICER

I, [illegible], MASTER of the S.S. PENNLAND, [illegible] do solemnly swear that I have caused the manifest of the vessel under my command to be made out as required by the regulations established by the Secretary of the Treasury, and that, according to the best of my knowledge and belief, the entries therein contained are full and true in every particular, and that no person or persons mentioned therein as intending to become inhabitants of the United States has been left behind by reason of any bribe, contract, or agreement made by him or by any other person or persons in his behalf, to pay or defray the cost of his passage; and that I have not, nor has any person employed in the vessel under my command, to the best of my knowledge and belief, been concerned in any illegal practice in procuring any person mentioned in said manifest to emigrate to the United States; and that I will not land, nor permit to be landed, any person mentioned in said manifest at any port or place other than the port of Philadelphia, Pa., without the consent of the Commissioner of Immigration at the port of Philadelphia, Pa., or his authorized agent, unless prevented by the dangers of the sea; and that I will deliver a true copy of said manifest to the Commissioner of Immigration at the port of Philadelphia, Pa., at the time of the vessel's entry at the Custom House at said port, or in case of the vessel's stress of weather or other unavoidable accident preventing her entry, then within twenty-four hours after such entry is allowed.

Subscribed and sworn to before me this 23 day of Sept 1924

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example, Clerk, engineer, missionary, professor, lawyer, physician, musician, sculptor, dressmaker, milliner, servant, painter, cook, tailor, wood turner, etc., and not simply as laborer, gentleman, lady, farmer, or other indefinite designation.

A careful distinction should be made between farmers and farm laborers, regardless of the amount of money shown in possession.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the land who operates it.

Reasonable promptness should mark this distinction on the manifests, and corrections should be made if necessary, by immigrant and military officers during the normal examination of aliens arriving.

Column 8 (*Able to read and write*).—Whether each individual can read and write the following question: Read what language (or dialect)? Write what language (or dialect)? In answering both questions the language or dialect the alien is able to read should be named. If able to write he must write a sentence dictated by the immigrant inspector. The ground for such examination should be given.

Column 9 (*Nationality*).—Answers should be confined to name the country in which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which he belongs.

Special attention should be paid to the distinction between race and the country of which a person is a citizen or subject. For example, natives of Scotland should be described as Scotch, natives of Ireland as Irish, natives of Wales as Welsh, and natives of England as English, regardless of the country from which they may have come. The word "American" should not be used to describe any person except a native of the United States. "Negro" is the term to be used in describing the black race, and not "African." "Hebrew" is a race or people, and, therefore, "Russian Hebrew" or "German Hebrew" are not proper designations. "Canadian" is a nationality, and not a race or people, and should not be used to describe the native Canadian of English, Scotch, or French descent, or any other race born in Canada. The following additional rules should be especially observed.

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cuban or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South American of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or North America, Europe, or Africa. All aliens with characteristics or blood of the African Negro should be considered under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, America (Canada, South), and elsewhere, should be entered as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

CHARGE TO COST OF PASSAGE.—Answer should be given to show whether the passage was paid by the alien himself or herself, or by some other person or persons, and the exact relationship, if any, of such person or persons to the alien.

Column 11 (*Last permanent residence*).—Answer should be given to show the country which the alien has adopted as his or her permanent residence, regardless of length of actual residence thereon. The answer to column 11 should state the country and city (if known) of last permanent residence. It is understood as to certain aliens, especially those who are seamen and others of the migratory classes, that no permanent residence anywhere is maintained, but nevertheless considerable numbers actually have a country of last permanent residence established by the possession of property, residence of family, or similar circumstances, country of birth, nationality, or race.

Citizens of the permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address in full as completely as possible. If no such relative or friend, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question should show the intended future permanent residence. An intended residence of less than two years is not sufficient. The entry should show definitely the place (city or town) of intended future permanent residence. A mere State, such as "United States," is unsatisfactory. It extends the United States.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, mother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50 and if less amount*).—The answer should give to each male alien (or family) the exact amount of money shown. Money brought by the head of a family should not be entered against the [illegible]

Column 18 (*Whether ever before in the United States and if so, when and where*).—The answer should show whether or not the alien has been in the United States before, and if so, the year, or period of years and place, as, 1901, 1907, Philadelphia.

Column 19 (*Whether going to join relatives or friends, and if so, what relatives or friends*).—The answer should show whether going to join relatives or friends, and if so, what relatives or friends, with name and complete address.

Column 20 (*Ever in prison, etc.*).—These questions are for the purpose of ascertaining whether any of the aliens are subject to exclusion by the various classes of aliens. However, as some of the questions, as, if alien has been in prison, a fully correct answer may not be necessary as [illegible] to the entry but admission, the authority for such examination should be given.

I, Oscar Sverdrup Madsen of the S.S. "Finland" from Stockholm, do solemnly swear that I have carefully examined the foregoing manifest of alien passengers, to the best of my knowledge and belief, is in all respects true and correct, and that all the persons therein named were actually on board the said vessel at the time of her departure from the last foreign port, and that I will deliver a true copy of said manifest and list or manifests of said passengers to the proper officer of the port of arrival of said vessel at the first port in the United States at which she may call after her departure from such foreign port, and that I will not land or permit to be landed any of said passengers at any port in the United States except as directed by the proper officer of the Immigration Service, and that I will not knowingly or willfully land or permit to be landed from said vessel at any port in the United States any alien who has not been duly entered on said manifest, except in case of such alien as may be compelled to land in distress, and that I will report all such cases to the proper officer of the Immigration Service at the port where the same may occur, within twenty-four hours after the occurrence thereof, and will deliver a true copy of the list or manifest of such aliens so landed, with the reasons for and circumstances of their landing, to the proper officer of the Immigration Service at the port where they are landed, and that I will in all respects obey and comply with the laws of the United States and the rules and regulations governing the admission of aliens thereto.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter appearing only in those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply "engineer," "polisher," "molder," "turner," or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Strong emphasis should be placed on the instructions on the manifests, and corrections should be made, if necessary, by interviews and inquiry during the personal examination of each alien.

Column 8 (*Able to read and write*).—This column should be filled and contains the answer to question "Can he read? Can he write? If so, in what language?" In answering this question, "Can read" means "Can he read his name?" "Can write" means "Can he write his name?" If the answer to either question is "No," the alien is able to read or write, as the case may be, if he can read or write any language. If alien is unable to read and write, the answer in both columns must be "No," to meet the reading requirements. The record for each exception should be given.

Column 9 (*Nationality*).—Question 9 should be considered to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention should be paid to the instruction that each country of which aliens are citizens or subjects (country of last permanent residence, and country of last foreign residence should be carefully noted, by inspectors and reviewing officers in their respective countries. For instance, "Russia," appearing across the head of a page does not mean "French" for race or people, and, similarly, "French" appearing across the head of a page does not mean "Russian" for race or people, and similarly, "French" appearing across the head of page or people does not mean "Russian" for country. As true, correct, or distinctive clues to race or people (except) cannot under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other Islands of the West Indies, Spain, or direct from Africa, Europe, or Asia. Any alien with admixture of blood of the African Negro should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, no other residing in France, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—A total period of residence of one year should constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more, be the last permanent residence, regardless of length of actual residence thereat. The answer in column 11 should show the country and city or town of last permanent residence.

Column 12 (*Destined to (name of city, town, or State)*).—The answer should show the intended future permanent residence, if within the United States, for immigration and naturalization purposes that steamship companies accurately show country of last permanent residence independent of country of nationality or race or country of birth, nonresidents, or race.

Columns 13 and 14 (*Whether going to join a relative and name and address of such relative*).—Citizens of the United States and aliens lawfully admitted thereto are permitted to send for relatives or friends in certain classes only. The entry should show the name and address of such relatives. If no such relatives living, give name and address of friend.

Column 15 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year should constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States, if outside the United States.

Column 16 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 17 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, friend, father, brother, or other relatives, inland steamship company, etc.

Column 18 (*Whether in possession of $50, and if less than $50*).—The answer should give in each case (yes or no) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Columns 19 and 20 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as 1894, New York.

Column 21 (*Whether going to join a friend, and if so, what relative or friend*).—The answer should show whether going to join a friend or a friend, and if so, what relative or friend, with name and complete address.

Columns 22 to 24.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to inspection by inspection officers in the consideration of cases. However, no answering questions 22, 23, or 24 will be deemed sufficient unless the examining officer of Labor has satisfactorily determined to his satisfaction that the alien has been properly advised and prepared for his entry and has sufficient means to supply for admission, the authority for such determination should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, [illegible] Master of the S.S. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money owned, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for "the man who operates it."

Stewards on vessels will make their entries on the last page, and corrections should be made, if necessary, by inspectors and employees during the personal examination of aliens and crews.

Column 8 (*Able to read and write*).—This column is sometimes misunderstood and contains the following question: "Read what language (or dialect) is claimed, upon which grounds?" In answering this question the Inspector or clerk will ask the alien to read aloud a few lines, usually printed on the List or Manifest, and if the alien is able to read aloud he is stated. If alien is unable to read and claims exemption from being the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of the sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject. Country of last permanent residence and country of birth and races should be carefully tracked by inspectors and employees clerks in this regard. For instance, "Finnish" appearing under the head of country does not mean "Finn" by race or people, and similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien becomes a race under the heading of England, Switzerland, or any other country. In this connection the following instructions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other Islands of the West Indies, Central or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year should constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of last previous residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town, of intended future permanent residence, if within the United States, not merely "New York" or "United States."

Column 14 (*If having been previously in the United States*).—The answer should be either Yes (or 1st) or No (or 2d).

Column 15 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, friend, or other relative or friend, steamship company, etc.

Column 16 (*How much money in possession of self, over $30*).—The answer should give in each case (self, cents omitted) the amount of money in possession of the alien.

Column 17 (*Whether in possession of ticket through to final destination*).—Money brought by the friend of a family should not be classified as the property of the head of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The answer should show whether or not alien was ever in the United States before, and if so, the year (or period of years) and place, as "1907, New York."

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether alien is going to join a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 23.—These questions generally need no entry and the answers, like all others on the sheet, are assumed to be "no," or the blank filled in for the exemption of aliens. However, to prove as to question 20, if alien has been excluded and appeals from the decision of the Secretary of Labor has authorized him to reapply for admission, the fact to such reapplication should be given.

AFFIDAVIT OF CONSENT

I, [illegible] master of the [illegible] now lying at the port of [illegible] bound for the port of [illegible] and having on board [illegible] alien passengers, [illegible] in number, and being duly sworn, depose and say that I am entitled to receive at such port the allowance of [illegible] for the support of each of the aliens named herein, and that the foregoing [illegible] account, to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the number and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, shoe, and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money one has, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make the distinction on the manifests, and corrections should be made, if necessary, by inspectors and assistants during the general examination of aliens on arrival.

Column 8 (*Able to read and write*).—The information to which this column has reference is obtained from the following question: "Can you read? Can you write? (Or can you read and write?)" In answering this question "Yes" should be understood to mean that the person can read or write some language or dialect; "No" that he can not read or write. If alien is able to read and claims exemption from the reading requirement, the ground for such exemption should be shown.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which the alien belongs.

Particular attention should be paid to the distinction between races and the countries in which aliens are born. Thus, natives of the Hawaiian Islands, while citizens of Hawaii, are Polynesians; natives of Cuba, Porto Rico, Mexico, Central and South America, and the West Indies are Spanish, Spanish-American, Cuban, West Indian, Negro, or mulatto, according to their race. Persons coming under the head of "Germany, Austria-Hungary, Russia, Turkey in Europe, and Scandinavia" should not be returned as "Hebrew" by race, unless they are natives of Palestine, or have resided there. Persons coming under the head of "Turkey in Asia" should not be returned as "Hebrew" by race unless they are natives of Palestine. Many Hebrews are returned as "Russian," "German," "Austrian," "Hungarian," "Roumanian," "English," "French," "Spanish," "Italian," or "Turkish," according to the country from which they come, instead of as "Hebrew," the name of their race or people. Persons coming from the countries of Europe, Asia, Africa, Central America, South America, the West Indies, Mexico, Newfoundland, and islands adjacent thereto, should not be returned as coming from "the Emerald Isle," "the Fatherland," "the Sunny Land," "the Land of the Midnight Sun," "the Switzerland of America," "the Celestial Empire," "the Island Empire," "the Hermit Nation," "the Mikado's Empire," "the Flowery Kingdom," "the Land of the Rising Sun," "the Cockpit of Europe," "the Gibraltar of the Pacific," "the Key to the Pacific," "the Isthmus of Panama," "the Gateway of the Pacific," "the Pearl of the Antilles," "the Eden of the Pacific," "the Queen City of the Pacific," "the Italy of South America," "the Italy of Asia," "the Italy of Africa," "the Scandinavian Peninsula," "the Iberian Peninsula," "the Balkan States," "the Emerald Isle," "the Land of the Midnight Sun," "the Fatherland," "the Sunny Land

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, house painter, sheet painter, farm laborer, coal miner, wood turner, etc., and not simply as laborer, engineer, painter, miner, turner, or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money thrown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Stockmen or persons in charge should make this distinction in the manifests, and corrections should be made if necessary, by the immigrant inspectors at the time the manifests are examined at ports of arrival.

Column 8 (*Able to read and write*).—Every alien [illegible] and contains the following question: "Can read what language (or, if illiterate, is unable to read)?" In answering this question the language or dialect the alien declares he can read should be stated. If the alien is unable to read and claims exemption from the test requirement, the ground for such exemption should be shown.

Column 9 (*Nationality*).—Column 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention should be paid to the distinction between race and the country of which citizen or subject. Persons of [illegible] and Hungary are Hungarians [illegible] Germany are Germans, and Russia are Russians, but they may belong to any race or people and frequently do. French-speaking people in Canada are of the French race, and English-speaking people in Canada are of the English race, but neither is a race or people, but each is a "people." As a rule, natives of Hebrew birth or race should be described as Hebrews, no matter what country they may have come from. In this connection the following directions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (NEGRO).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Central or South America, Europe, or Africa. Any alien with admixture of blood of the African negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual and an intended residence of one year should constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more should be the last permanent residence recognized. [illegible] actual residence. It is important for statistical purposes that steamship companies ascertain and show correctly as last permanent residence independent of nationality of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative at home in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. Any intended residence of one year should constitute permanent residence. The entry should show definitely the place (city or town, if intended future permanent residence, if within the United States) of ultimate destination in the United States.

Column 14 (*Whether having a ticket through to final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, [illegible], or other relative, friend, steamship company, etc.

Column 16 (*Whether in possession of $50 and if less than $50*).—The answer should be yes in each case [illegible] Money brought by the head of a family should not be counted [illegible] the wife and children.

Column 17 (*Whether ever before in the United States and if so, when and where*).—The entries should show whether or not [illegible] by the United States before, and if so, the year or period of years and place or places [illegible].

Column 18 (*Whether going to join a relative, a friend, and if so, what relative or friend*).—The answer should show whether going to join relative or friend, and if so, what relative or friend, with name and complete address.

Columns 19 to 30.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by [illegible] officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

Section 2 of the Immigration Act of 1924 (43 Stat. 154) provides that a person born outside the United States and subject at birth to the jurisdiction thereof, or a person who has lost his citizenship solely by reason of the provisions of section 2 of the Expatriation Act of 1907 (34 Stat. 1228), or of section 3 of the Act of March 2, 1917 (39 Stat. 1097), may be admitted to the United States as a citizen upon his own declaration that he is entitled to such admission under such section 2, if he is otherwise admissible under the immigration laws.

NOTE.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government or who advocates the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or officers generally, of the Government of the United States or of any other organized government because of his or their official character.

AFFIDAVIT OF THE ALIEN AS COMMISSION OFFICER, OR PORT OF SAILING

I, [illegible] of [illegible] do solemnly swear that the statements made by me in the foregoing manifest are true to the best of my knowledge and belief; that I have caused the contents of each page of the manifest to be read before signing it; that I have corrected the manifest in accordance with the requirements of the law; that I have answered each question truthfully and completely, and that I have not withheld information of any kind which might affect the admissibility of any alien mentioned in the manifest to the United States.

O Perrice

Sworn to before me this 23 day of Sept 1924

at Key West

Edward A. Evans
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 1 (Residence in U.S.)—Generally lines should indicate entries in this column. The name of the alien's destination should be given.

Column 2 (Age.)—The age in this column should be expressed in years or months, the latter if under 1 year of age.

Column 3 (Sex.)—The entry should be either M (male) or F (female).

Column 4 (Married or single.)—The answer should be M. (married), S. (single), Wd. (widow), or D. (divorced).

Column 5 (Calling or occupation.)—The entry should describe as accurately as possible the alien's trade, profession, or occupation. Common laborers, even soldiers, must be entered as laborers, and not as gentlemen, farmers, or persons of no occupation. Persons formerly engaged in any occupation, even though they have retired, or temporarily are not following it, should be entered as having that occupation.

Column 6 (Can read?)—This column is to be filled with the word "yes" or "no" to indicate whether the alien can or cannot read the English or some other language or dialect.

Column 7 (Where from?)—The answer should be the name of the country in which the alien has his permanent residence, whether it be the one in the immediate neighborhood of the United States or on the other side of the globe.

Column 8 (Final destination.)—The answer should be the name of the city, town, or village in the United States where the alien intends to reside permanently. If unknown or undetermined, the word "unknown" or "undetermined" should be given.

Column 9 (Ticket.)—Column 9 should be reserved to permit the insertion of such aliens as a commission agent may desire to identify by a number or mark.

Column 10 (Name and address of relative.)—The full name of the relative or friend whom the alien intends to join, and the full address, including street and number, should be given.

Column 11 (Whether ever before in U.S., and if so, when and where?)—The answer should be "yes" or "no," and, if "yes," should state when and where the alien was admitted or last departed from the United States, if he remembers.

Column 12 (Whether going to join a relative or friend, and if so, what relative or friend, and complete address.)—The answer should be "yes" or "no," and, if "yes," should state whether the alien is going to join a relative or friend, and if so, what relative or friend, and should give complete address, including name of street and number.

Columns 13 to 22.—These questions are left for inspectors and the answers "Yes" or "No" will suffice.

Column 23 (Remarks.)—This column is left for the use of the inspectors, and entries should be made therein only as directed by the Commissioner of Immigration.

RACES OR PEOPLES.

The term "Hebrew" refers to the Hebrew people and to persons

[illegible]

"East Indian" refers to the people of the Peninsula which lies south of Afghanistan and between the Bay of Bengal and the Arabian Sea.

[illegible]

"Mexican" refers to the people of Mexican birth or descent, but not to persons of Spanish or other European descent who may have resided in Mexico.

"Negro" includes all persons of African descent.

"Pacific Islander" refers to the people of the Hawaiian Islands, Samoa, Guam, and other islands of the Pacific Ocean.

"Spanish" refers to the people of Spain and Spanish America. Persons of Spanish descent, however, who have resided in Mexico should be entered as "Mexican."

PEASANT (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., comprehensive of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, wherever residing in Italy, constitute the Italian Peasantry, or very nearly so, and should be entered as "Italian (North)." Most of these people speak a Gallic dialect of the Italian language.

PEASANT (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., comprehensive of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, wherever residing in Italy, constitute the Italian Peasantry, or very nearly so, and should be entered as "Italian (South)."

Column 11 (Last permanent residence.)—Intended to be filled with the name of the country of last permanent residence. The first country in which aliens resided with the intention of remaining was their permanent residence. The last country in which aliens resided with the intention of remaining was their permanent residence. If an immigrant has resided in the last permanent residence required by law, he is entitled to admission to the United States if otherwise admissible, no matter how short a time he may have resided in any subsequent country. It should show the country and city or town of last permanent residence. It is important for statistical purposes that aliens who are permanent residents of the United States and who return from a visit abroad should be recorded as "United States."

Country of last permanent residence of aliens who are permanent residents of the United States and who return from a visit abroad should be recorded as "United States."

Column 12 (Have you a ticket paid through to your final destination?)—The answer should be either "Yes" or "No."

Column 13 (Have you been in prison or almshouse or supported by charity?)—The answer should be either "Yes" or "No."

Column 14 (Money in your possession?)—The answer should be given in dollars and cents.

Column 15 (Whether in possession of $50 and if less how much.)—The answer should be either "Yes" or "No," and, if "Yes," should state the amount of money shown.

Column 16 (Whether ever before in the United States and if so, when and where?)—The answer should be either "Yes" or "No" in the United States before, and if so, the time for period or periods passed there, as "1910-1917, Philadelphia."

Column 17 (Whether going to join a relative or friend, and if so, what relative or friend?)—The answer should be either "Yes" or "No," and, if "Yes," should state whether the alien is going to join a relative or friend, and if so, what relative or friend, and complete address.

Columns 18 to 22.—These questions are left for inspectors and the answers "Yes" or "No" will suffice. They are subject to revision by Inspection officers in the examination of aliens. Questions to which affirmative answers are given by aliens may be considered by the inspector as indicating that the alien is not clearly and beyond doubt entitled to admission, but answers to these questions do not necessarily require the rejection of the alien. If, after consideration of the facts, the alien appears to be clearly entitled to admission, the inspector may admit him without reference to the answers to these questions.

Column 23 (Remarks.)—This column is left for the use of the inspectors, and entries should be made therein only as directed by the Commissioner of Immigration.

AFFIDAVIT OF SUPPORT

I, [illegible], [illegible] of the [illegible] Ward of the City of New York, County, State of New York, being duly sworn, depose and say that I was [illegible] and [illegible] and that I am entirely able and willing and intend to support and maintain such alien and prevent him from becoming a public charge, and that the following statements made by me are true to the best of my knowledge and belief:

Sworn to before me this 23 day of [illegible], 1924

at New York

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, [illegible], master, of the S.S. "[illegible]" from Rio de Janeiro, do solemnly swear (or affirm) that I have carefully examined the manifest of the passengers on the above-named vessel, and to the best of my knowledge and belief the same contains a full, true, and complete list of all persons taken on board the said vessel at the port of Rio de Janeiro, and that the foregoing manifest contains the name of every alien so taken on board, and the destination of each; and that I will deliver a duplicate of this manifest, signed by me, to the immigrant inspector at the first port of arrival in the United States at which the vessel touches, and that I will not land or permit to be landed any alien from said vessel at any port in the United States without first delivering to the said immigrant inspector a duplicate of this manifest, signed by me, and that I will not land or permit to be landed any alien from said vessel except at the port designated for the landing of such alien by the Secretary of Labor.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of immigrant officials only.

Column 4 (*Age*).—The answer to this column should be expressed in years or months, the latter applying to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as, for example, "farmer," "laborer," "engineer," "clerk," "servant," "tailoress," "housekeeper," "nurse," "physician," "musician," "editor," "author," "lecturer," "actress," "barber," "hairdresser," "shoemaker," "tailor," "dressmaker," "milliner," "seamstress," "baker," "butcher," "cook," "painter," "decorator," "paperhanger," "mason," "bricklayer," "plasterer," "plumber," "roofer," "gardener," "wood turner," etc., and not merely "laborer," "worker," "mechanic," "manufacturer," "dealer," "agent," or other indefinite designations.

A "laborer" is one who performs manual labor for hire, receiving in payment wages computed by the day or piece, and not by the month or year, and who works for others than himself. Laborers are subdivided into agricultural laborers, or those employed on farms, and all other laborers, designated by the branch of work in which engaged, as "railroad laborer," "factory laborer," "coal miner," etc. A laborer should be described by the term applying to the occupation at which he is habitually employed, and not by the particular kind of work he may be doing at the time of his departure or arrival. Thus, a man who has been employed as a farmer, but who is on his way to the United States to work in a mine, should be described as a "miner," and not as a "farmer."

A "servant" is one who performs household service for wages or compensation, and includes cooks, waiters, valets, footmen, maids, housekeepers, nurses, housemaids, laundresses, and serving women. Persons following these occupations should be described as such.

A "farmer" is one who owns or rents a farm, either for himself or for others.

A "farm laborer" is one who works on a farm for the most wage received.

A "gentleman" is one who has retired from business or the profession, and whose income should be sufficient to support him and those dependent upon him in the position in life to which they belong.

A "merchant" is one who buys and sells goods, wares, or merchandise, and engages directly in commercial transactions.

A "manufacturer" is one who owns or is employed in a manufacturing establishment.

Persons having no occupation, such as women and children, should be returned as such, and not as laborers.

Column 8 (*Can read*).—The entry should be "Yes" or "No," as the person named can or can not read some language.

Column 9 (*Can write*).—The entry should be "Yes" or "No," as the person named can or can not write.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention should be paid to the designation entered here, and the accuracy of which evidence of nationality depends largely. Such words as "American," "Canadian," "English," "Irish," "German," "Swiss," "Russian," "Scotch," "French," "Spanish," "Italian," "Mexican," "Cuban," "Porto Rican," "West Indian," "Chilean," "Brazilian," "Japanese," "Chinese," "Portuguese," "Turkish," "Indian," "Negro," "Polish," "Hebrew," etc., are not designations of race or people, and should not be returned unless specifically directed by the head of the race or people to which the alien belongs. For example, a native of Canada of French descent should be returned as a "French Canadian," a native of Ireland of English descent as an "Englishman," a native of Germany of Polish descent as a "Pole," a native of Mexico of Indian descent as a "Mexican Indian," a native of Cuba of Spanish descent as a "Spaniard," a native of Scotland of Hebrew descent as a "Hebrew," a native of Wales as a "Welshman," a native of Turkey of Armenian descent as an "Armenian," a native of India of Chinese descent as a "Chinaman," a native of Japan of Chinese descent as a "Chinaman," a native of Canada of Indian descent as a "Canadian Indian," a native of Mexico of Spanish descent as a "Mexican," a native of Cuba of African descent as a "Negro," a native of Haiti of African descent as a "Negro," a native of Jamaica of African descent as a "Negro," a native of Barbados of African descent as a "Negro," a native of Brazil of African descent as a "Negro," a native of Portugal of Jewish descent as a "Hebrew," a native of Russia of Jewish descent as a "Hebrew," a native of Germany of Jewish descent as a "Hebrew," a native of Austria of Jewish descent as a "Hebrew," a native of Roumania of Jewish descent as a "Hebrew," a native of Turkey of Jewish descent as a "Hebrew," a native of Arabia of Jewish descent as a "Hebrew," a native of Persia of Jewish descent as a "Hebrew," a native of Syria of Jewish descent as a "Hebrew," a native of Egypt of Jewish descent as a "Hebrew," a native of Spain of Jewish descent as a "Hebrew," a native of Portugal of Jewish descent as a "Hebrew," a native of Italy of Jewish descent as a "Hebrew," a native of Greece of Jewish descent as a "Hebrew," a native of Russia of Polish descent as a "Pole," a native of Germany of Polish descent as a "Pole," a native of Austria of Polish descent as a "Pole," a native of Roumania of Polish descent as a "Pole," a native of Turkey of Polish descent as a "Pole," a native of Arabia of Polish descent as a "Pole," a INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Vessel or Status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example, Civil engineer, shipping clerk, accountant, locomotive engineer, mining engineer, brass polisher, steel polisher, iron roller, wood turner, etc., and not simply as engineer, polisher, roller, turner, etc., which is indefinite description.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the passengers' and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of each passenger.

Columns 8, 9, and 10 (*Can read and write*).—The answers to each of these two questions—"Read what language (or, if illiterate, state what form)?" "Write what language (or, if illiterate, state what form)?"—must be entered. The question, "Can you read?" is not sufficient, as it is known that many immigrants can read their own language, but not the English or any other language. In the case of illiterates, the fact of inability to read should be noted.

Columns 11 (*Nationality*).—Opposite a should be considered as under the country of which alien is a citizen or subject.

Columns 12 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the [illegible] and [illegible] of which citizens or subjects (nationality of last permanent residence) and [illegible] should be carefully [illegible] by inspectors and registry clerks at the time of [illegible]. For instance, "Finns" appearing under the head of [illegible] should not mean "Swedes" by race or people and, similarly, "Swedish" appearing under the head of race or people does not mean "Finns" by nationality. As a rule, Germans or Hebrews from [illegible] are entered properly, regardless of the landing at England, Ireland, or any other country. In this connection, the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (NEGRO).

"African (Negro)" refers to the African Negro, whether a native of Africa, Cuba, or other islands of the West Indies, Central or South America, Europe, or Asia. Any alien who admits any admixture of blood of the African Negro should be classed as a Negro.

ITALIAN (NORTH).

The people who are native to the basin of the River Po (i. e., provinces of Piedmont, Liguria, Lombardy, Venetia, and Emilia) and those descendants, whether residing in Italy, Switzerland, America (European), or any other country, should be classed as "Italian (North)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., provinces of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (South)."

Column 13 (*Last permanent residence*).—Aliens or an immediate residence of one year should designate by the name of the country in which alien resided with the intention of remaining and that country shall be the last permanent residence of such alien. The entry should be the name of the country of last permanent residence. It is important to ascertain if aliens have the intention and the actual fact of permanent residence. It is important to ascertain if aliens have the intention and the actual fact of permanent residence. It is important for registry clerks to ascertain from each alien the country of last permanent residence. It is important for registry clerks to ascertain from each alien the country of last permanent residence. It is important for registry clerks to ascertain from each alien the country of last permanent residence.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 14 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of wife or relative. If no such relative, state name, city, county, and province of friend.

Column 15 (*Final destination*).—The answer to this question should show the city, county, and State of permanent residence. An intended residence of one year should be sufficient to constitute permanent residence. The entry should show definitely city, town, county, and State of intended future permanent residence. If aliens will remain in [illegible] state "Remain in the United States."

Column 16 (*If holding a ticket state through to final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 18 (*By whom was passage paid*).—The entry should show clearly (1) whether passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 19 (*In possession of $50, and if less, how much*).—The answer should be as to each alien individually and not as to the whole group. Money includes all [illegible] and [illegible] or money [illegible] of foreign countries. Money included in the head of a family should not be divided among the several members of the family.

Column 20 (*Whether ever before in the United States, and if so, when and where*).—The answer should show whether or not (Yes or No) to the United States before, and if so, the year (or period of years) and place, as, Paris 1907, Philadelphia.

Column 7. (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each person named, as, for example, "farmer," "engineer," "merchant," "clerk," "shoemaker," "tailor," "blacksmith," "carpenter," "mason," "painter," "plumber," "cook," "waiter," "servant," "housework," "no occupation," "none" (for children), "student," "scholar," "laborer," "miner," "weaver," "dressmaker," "seamstress," "milliner," "nurse," "typist," "stenographer," "bookkeeper," "clerk," "salesman," "saleslady," "gentleman," "lady," "actor," "actress," "artist," "musician," "professor," "author," "editor," "journalist," "lawyer," "physician," "surgeon," "dentist," "veterinary surgeon," "chemist," "engineer," "civil engineer," "mechanical engineer," "electrical engineer," "mining engineer," "surveyor," "minister," "clergyman," "missionary," "priest," "rabbi," "farmer," "stockman," "herder," "dairyman," or "agricultural laborer."

A description should be made between farmers and farm laborers, regardless of the amount of money owned, as follows:

A farmer is one who operates a farm, either as himself or as a tenant.

A farm laborer is one who works on a farm for wages or salary.

Persons engaging in any kind of business or profession, as distinguished from a trade, should be described as merchants, not as grocers, druggists, lawyers, etc. Persons formerly engaged in a trade, profession, business, or occupation, but not actively pursuing the same at the present time, should be described as "retired merchant," "retired grocer," "retired druggist," "retired lawyer," etc. Persons having no occupation, trade, profession, business, or calling, including women and children, should be returned without occupation.

Column 8. (*Nationality*).—Answers to this inquiry should show the country of which alien is a citizen or subject.

Column 10. (*Race or people*).—See list of races printed on back of this sheet. The entry should show the racial group or people to which each alien belongs.

Special attention should be paid to the distinction between race and the country of which citizen or subject. A country of one predominant race or two countries of kindred race may sometimes be combined, as, for example, "Scotch and English," "Irish and English," or "Welsh and English," but generally each race should be separately stated. For instance, "Hungary" frequently causes the listing of persons as "Hungarian and Magyar," "Poland" as "Polish and Hebrew," "Russia" as "Russian and Hebrew or Finn," "Turkey in Asia" as "Armenian and Syrian," "Austria" as "Austrian, Czech, or Slovak," etc. Such designations should not be used, but the race or people should be stated.

Column 11. (*Last residence*).—Answers to this inquiry should show the country in which alien has a residence or home, as distinguished from a place of temporary visit. Persons coming from one country to another for temporary residence only, as, for example, Germans coming to the United States to work in the harvest fields of Canada, should be returned as residents of Germany.

Column 12. (*Port of departure*).—Answers to this inquiry must show the name of the foreign port from which the alien last embarked. Transportation companies should not enter the name of a domestic port, such as Cherbourg, Queenstown, Liverpool, Hamburg, Bremen, Antwerp, Rotterdam, Naples, Palermo, Havre, Glasgow, or Londonderry, unless the alien came to such domestic port directly from the place where he resided.

Column 13. (*Final destination*).—Write the name of the city or town, state or province, and country for which alien intends to go.

Column 14. (*Whether having a ticket to such destination*).—The answer should be Yes or No (or We or No).

Column 15. (*Who paid passage*).—The entry should show whether the alien himself paid his passage, or whether it was paid by relatives, friends, or others, and in the latter case the name and address of the person who paid the passage should be obtained. The answer should be "Himself," "Herself," "Wife," "Husband," "Father," "Mother," "Son," "Daughter," "Brother," "Sister," "Grandfather," "Grandmother," "Uncle," "Aunt," "Cousin," "Friend," "Employer," "Steamship company," "Railroad company," "Government," or "Other (state)."

Column 16. (*Amount of money in possession*).—The answer should be expressed to the nearest dollar. Persons having less than $1 should be returned as having no money. Persons having $1 or more should be so noted whether the amount is large or small.

Column 17. (*Whether ever before in the United States, and if so, when and where*).—The answer should be "Yes" or "No." If the answer is "Yes," the date and place of former visit should be stated.

Column 18. (*Whether going to join relative or friend, and if so, what relative or friend, and his name and complete address*).—The answer should be "Yes" or "No." If the answer is "Yes," the name and complete address of the relative or friend should be stated.

Column 19. (*Whether ever in prison or almshouse or supported by charity, and if so, what institution and when and where*).—The answer should be "Yes" or "No." If the answer is "Yes," the name of the institution, the date, and the place where the person was confined or supported should be stated.

Column 20. (*Whether a polygamist*).—The answer should be "Yes" or "No."

Column 21. (*Whether an anarchist*).—The answer should be "Yes" or "No."

Column 22. (*Whether coming under contract or agreement to perform labor, and if so, what kind of labor*).—The answer should be "Yes" or "No." If the answer is "Yes," the kind of labor should be stated.

Column 23. (*Whether ever deported, and if so, when and why*).—The answer should be "Yes" or "No." If the answer is "Yes," the date of deportation and the cause for deportation should be stated.

Column 24. (*Whether in possession of a ticket or passage through to final destination*).—The answer should be "Yes" or "No."

Column 25. (*Whether in possession of $50 and if not, by whom furnished and amount furnished*).—The answer should be "Yes" or "No." If the answer is "No," the name and address of the person furnishing the money and the amount furnished should be stated.

Column 26. (*Whether destined to a relative, friend, or other person, and if so, to whom, and his name and complete address*).—The answer should be "Yes" or "No." If the answer is "Yes," the name and complete address of the person to whom the alien is destined should be stated.

[signature]

Sworn to before me this [illegible] day of [illegible], 19[illegible].

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared and ready for delivery to the immigration inspector meeting the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of alienage of alien members of crews (Form 632) shall not be returned on board, but shall be delivered by the master to the principal immigration officer at the port.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the master, agent, consignee, or master thereof to deliver to the principal immigration officer in charge at the port of arrival lists containing the names of all persons employed on such vessel, stating the positions they respectively held in the ship's company, wages, and where they were respectively shipped or engaged, and specifying those to be paid off and discharged at the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival and who will leave part thereof at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed, and to give all the known facts connected therewith; and if any owner, agent, consignee, or master so to deliver a list of the said persons employed and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of $10 for each alien concerning whom correct lists are not delivered or a true report in each case as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, if the vessel sails before it is granted, while it remains unpaid, may be seized by any officer of customs and the fine collected by process of law. The Secretary of Labor may remit any such fine, or any part thereof, if he is satisfied that it was incurred without intentional default or culpable negligence on the part of the master, owner, agent, or consignee of the vessel, or that the vessel sailed before the master could with reasonable diligence be informed that the services of the alien were required, or that the alien was a member of the crew and was employed in that capacity on the vessel during her trip across the ocean, or that the master, owner, agent, or consignee of the vessel had other sufficient reason for not complying with the requirements of this section, or that the vessel sailed with the consent of the Secretary of Labor or other officer duly authorized by him for the purpose, or that the fine was incurred solely because the alien was prevented from landing by reason of quarantine regulations. Any such fine may be remitted upon the payment of the sum of $8 for each alien concerning whom a report or list was required, and the Secretary of Labor may prescribe rules and regulations under which fines may be remitted without payment.

EXTRACT FROM SUBDIVISION 3, RULE 10

[illegible] Immigrant inspectors, and shipowners and masters shall see that the Arriving and departing Seamen Card is completed on the blank forms provided for that purpose by the department, in accordance with the terms of section 36. When an arriving seaman is a "workaway" a notation to that effect should be made upon the manifest.

(3) Passengers shall not be granted any vessel until the lists required by section 36 have been furnished and the fines and/or moneys due by the master to the administration have been paid or a satisfactory bond given therefor, as required by section 35 having been waived, the deposit specified in section 35 has been made.

Laborers should be specified as such, and not returned as "workmen" or "factory hands."
